Our State Plan Goals

To qualify for funding, projects must meet the goals in the 5 Year DDCO State Plan. The state plan is available for review <https://oklahoma.gov/ddco/about/state-plan.html>.

9. State Plan Goal *

Select the goal your project will be addressing.

- Goal 1: Advocacy and Self-Advocacy Skills Improvement Individuals with developmental disabilities and their families will be skilled and empowered advocates and leaders in individual and systems change advocacy.
- Goal 2: Good Lives Across the Lifespan Individuals with developmental disabilities, their families and caregivers will have increased access to quality, long-term, individualized supports and services across the lifespan in the home and community of their choice.
- Goal 3: Community Awareness and Inclusion People with developmental disabilities and their families will experience increased inclusion and integration so that they may fully participate in all aspects of the community.

Part 2 - Disclosure of Potential Conflict of Interest

The State of Oklahoma prohibits persons and organizations from participating in the development of a competitive contract where they may receive an actual or perceived benefit. The following questions assist us in making this determination.

10. Any relationships to the organization? *

Do you, or your organization, have any personal, professional or financial relationships to the Developmental Disabilities Council of Oklahoma? This disclosure does not necessarily create a real or perceived conflict of interest, but disclosure of such relationships is required.

- Yes
- No

11. Identify names and relationships

If you answered yes to "Any relationships to the organization?" please explain in detail. Identify names and relationships, as necessary.

I was a previous employee of DDCO and maintain friendships with staff members.

Your activity proposal:

The DDCO thoughtfully reviews complete and materially accurate submissions at the committee level. The information provided in Part III will assist committee members in understanding your application and any expectations for DDCO.

12. **Proposal.** *

Provide a written overview of your proposal (750 words or fewer).

Oklahoma APSE is the Oklahoma state affiliate of the Association of People Supporting Employment First (APSE), a national organization dedicated to advancing integrated employment opportunities for individuals with disabilities.

OK-APSE invites individuals with disabilities, their families, employment providers, funders, employers, and others to join us in advocating for and implementing community employment for all people with disabilities.

The OK-APSE Conference offers premier training and networking opportunities for Employment First professionals. By bringing together individuals and organizations directly involved in Employment First—including people with disabilities and their families, service providers, universities, rehabilitation counselors, and state and federal agency representatives—we can collectively work towards our shared goals.

On April 1 and 2, an anticipated 100 conference attendees will gather at Metro Tech in Oklahoma City to learn from local and national experts on topics such as program management, service provision, transition services, customized employment, serving underserved populations, and utilizing technology. Self-advocates are integral participants in the OK-APSE conference, both as attendees and presenters.

OK-APSE is seeking support from the Developmental Disabilities Council of Oklahoma (DDCO) to ensure the success of the 2025 conference. We are requesting \$5,000 to assist with securing the conference facility. The total estimated cost of the conference is \$20,401. Additional sponsorship has already been secured from the Oklahoma Human Services, and we are actively seeking support from the Department of Rehabilitative Services, provider agencies, and private businesses.

OK-APSE is requesting the support from DDCO in making the conference in 2025 happen! On April 1 and 2nd, participants will come to Metro Tech in Oklahoma City to hear from local and national leaders around topics such as program management; service provision; transition services; customized employment; service to underserved populations; and the use of technology.

13. **Have you completed a needs assessment?** *

Yes

No

14. **Who will do the work?** *

Provide a list of all people and organizations proposed to work on the project.

OK-APSE is a membership organization comprised of leaders in employment throughout the state. The current chair of the organization is Judi Goldston. Other members of the executive board include Angela Duckett (DRTC); Lisa Toth (Rise Staffing); Dona Rogers (Viability); Al Arietta (DRS); Melinda Bunch (DRS); Melissa Gituma (DDS); and Charlotte Cooper (DDS).

15. **Experiences & qualifications:** *

Describe the experience and qualifications of the persons and or organization proposed to provide goods and services associated with the proposal.

Each individual represented on board have over 10 years' experience in provision of services for individuals with disabilities in employment.

16. **DDCO Goals:** *

Tell us how this proposal will help DDCO meet the goals in its 5-Year State Plan found at <https://oklahoma.gov/ddco/about/state-plan.html>.

The conference will directly contribute to achieving the three goals outlined in the 5-year state plan.

Goal 1: Self-advocates who attend will enhance their skills and leadership abilities, becoming more effective advocates for individuals with disabilities.

Goal 2: Conference participants will receive training on best practices in service provision, including person-centered planning. This high-quality training will lead to improved service delivery from providers and a more knowledgeable group of self-advocates, ultimately contributing to increased access to quality, long-term, individualized supports and services for individuals with developmental disabilities and their families.

Goal 3: The conference aligns with the mission of OK-APSE and our shared vision of a community where all individuals with disabilities have equal opportunities for employment. This is a key component of best practices in service provision and will be a central focus of the conference.

17. Targeted population:

*

Define the benefitting population targeted by describing the age, region, familial status, learning or support needs, type of disability.

This conference will bring together individuals and organizations directly involved in Employment First—including people with disabilities and their families, service providers, universities, rehabilitation counselors, and state and federal agency representatives. These individuals will come from throughout Oklahoma and the country.

18. Impact on targeted audience:

*

Describe the impact on the target audience?

This conference can have a profound impact on its attendees, both personally and professionally. Here are some potential outcomes:

Increased knowledge and skills: Attendees can learn about new developments, best practices, and innovative approaches in their field.

Expanded professional network: OK-APSE provides opportunities to connect with like-minded individuals, potential collaborators, and industry experts.

Boosted confidence and motivation: Sharing experiences and learning from others can inspire attendees and reinforce their commitment to their work.

Increased quality of services: Attendees can bring back new ideas and best practices that can improve their organization's operations.

19. Impact for people with DD:

*

Describe the impact this proposal will be for people with developmental disabilities?

This conference will have a positive impact on the provision of services for individuals with intellectual and developmental disabilities. Being present at the conference would also add to the conference by adding valuable perspectives to the discussions.

20. Duplication or expansion:

*

Is the proposal a duplication or expansion of work already being done in Oklahoma or elsewhere? If yes, describe what is being duplicated and what makes this project unique or different.

No

21. Best Practices:

*

Will the proposed project use current best practices in the field of developmental disabilities? If yes, explain what they are and how they will be incorporated. Please cite source material.

Yes. Presentations for speakers will include best practices. Some anticipated topics include person centered planning and the use of technology for independence.

22. Systems change impact: *

"Systems change" can help improve a problem and change the way we support people with disabilities in Oklahoma. System change may include sharing information to change thinking, implementing best practice models, and/or improving skills for individuals and families to better say what they want and need. When the work is complete, how will it have provided systems change to programs or services for people with developmental disabilities?

It is our hope that the information shared will contribute to an improved quality of services and ultimately lead to independence and community employment options for individuals with intellectual and developmental disabilities.

23. Where implemented:

*

Will the proposal be implemented or offered statewide? If no, define the counties and cities served and the rationale for why these locations were selected.

Yes. It is offered to individuals state-wide.

Performance Measures

The DDCO is required to provide performance measure reports to evaluate the effectiveness of our activities. As a result, DDCO requires contracted vendors to submit performance measure reports prior to receiving final payment. Performance reports include actual counts and / or the collection of survey information. As a required component of the application, provide projected data for the following performance measures. (Not all measures are applicable. You may identify measures not applicable to this application as "N/A to this activity") All contractors will be required to collect baseline data to evaluate outcomes.
