- IV.  **Financial Report** – Ms. Randle discussed federal updates with the committee.

- V.  **Expenditures** - Ms. Randle discussed Council expenses, sharing the internal excel tracking form staff use to monitor project expenses. Some contracts were slow to start, but purchase orders are almost all complete and projects are working now. Purchase orders must be 'in hand' for contracts to start. This has resulted in spending being slow. Mr. Lewis mentioned the delay in spending is due to OKDHS, not the Council. Ms. Randle

reported things are moving for projects now. Ms. Randle explained the addition of a tab to the excel sheet, that would only have needed information for Members (for example, purchase order numbers removed). Ms. Randle mentioned not being worried about spending. Projects are working.

- VI.  **CFOK Report- Other New Business:** Ms. Wieder reported the Communities Foundation account has \$1000. She is still having difficulty accessing the account for reporting.

- VII.  **Other Business:** Ms. Randle reiterated they are watching what is happening in Congress and that all disability network partners are level funded. Ms. Fugitt asked how the Council gets its funding as DRS has received its funding. Ms. Randle explained that the Council receives several “notice of awards” (NOA) throughout the year. The amount awarded is different each time. The Council never receives any funding directly, we work with OKDHS, our designated state agency (DSA), which essentially covers the Council, paying our expenses and then draws down funding quarterly.

**FY26 and 27 activities:** Ms. Randle discussed the work being done. The State Plan committee will begin discussing 2027 project proposals. Internal advocacy projects being done (PIP, YLF, and Self-Advocacy trainings).

- VIII.  **Announcements: none**

- IX.  **Adjournment.** Mr. Toney moved to adjourn the finance meeting. Mr. Lewis seconded.

**AYES:** Mark Lewis, Janie Fugitt, Kodey Toney
