

# ARE YOU THINKING ABOUT PLACING YOUR OKLAHOMA STATE DENTAL LICENSE IN AN INACTIVE STATUS BUT NOT SURE WHAT YOUR OPTIONS ARE?

HERE IS ALL THE INFORMATION YOU NEED TO KNOW!

# REQUIREMENTS YOU MUST MEET IN ORDER TO RETIRE YOUR OKLAHOMA DENTAL LICENSE:

Section 328.23b of the State Dental Act states that:

A dentist, dental hygienist, or dental assistant that has been licensed or permitted in good standing with the Board in excess of twenty (20) years may apply for a retired volunteer dentist, dental hygienist, or dental assistant license or permit on a yearly basis to provide volunteer services. There shall be no continuing education requirements. A retired dentist, dental hygienist, or dental assistant with a retired volunteer license or permit shall not receive payment either directly or indirectly for work provided.

#### So do you meet the following criteria?

 Have you held a license or permit in good standing for 20 years or more?

### If the answer is "YES," then you are eligible to retire!

The Board of Dentistry offers Retired Volunteer Licenses to those license or permit holders who meet the above criteria at no cost. Please note that you are not required to apply for a Retired Volunteer License at the time you request to retire your license.

# What happens if I retire my license but then later decide I want to return to active practice?

Once you submit a Retirement request form, it will have to be placed on the next regularly scheduled Board Agenda for approval. You then have 5 years from the date of approval to reinstate your license before being required to reapply as a new applicant. The Board may require you to get caught up on your Continuing Education and may require any fees to reinstate your license.

> You must submit your Retirement Request prior to your license expiring in order for it to be considered "In Good Standing."

If you do not meet the above requirements to officially Retire your license, you may submit a Request to Not Renew, which will still place your license in an "inactive" status. This form is also enclosed in this packet.

This can be emailed in to the Board at: obod.board@ok.gov

I am no longer practicing in the State of Oklahoma and request the State Board of Dentistry to place my license in inactive status. I understand that upon a written request for reinstatement I must be in compliance with all applicable laws and rules at that time and must obtain approval by the Board. I also understand that the Board may require me to provide proof of Continuing Education taken within the time that my license/permit was inactive. I acknowledge that if I do not request reinstatement within 5 years from the date the Board approves this request, I will be required to apply as a new applicant.
