**Notifications**

**Attention Required:** Our records indicate that you are behind on your required payments. To maintain compliance and ensure your continued certification, please make the necessary payments as soon as possible. You can see a detailed breakdown of your outstanding payments and certification requirements from the payments & invoices page.

The Operator Dashboard greets you with a welcome message and displays required actions through the Notifications section for quick attention. It also displays a summary of your account activity, including applications, licenses, payments, and training. Use this page to quickly access key actions and review important notifications.

### My Applications

- Shows the total number of applications you have submitted or are currently in progress.
- Select View All to review application details and track application status.

### My Licenses

- Displays the total number of active licenses associated with your account.
- Select View All to view license details, status, and renewal information.

### Payments & Invoices

- Shows the number of outstanding or recent payments and invoices linked to your account.
- Select View All to review payment details and complete pending payments.

### My Training

- Displays the total training hours completed or in progress toward certification requirements.
- Select View All to view approved training and track your training progress.

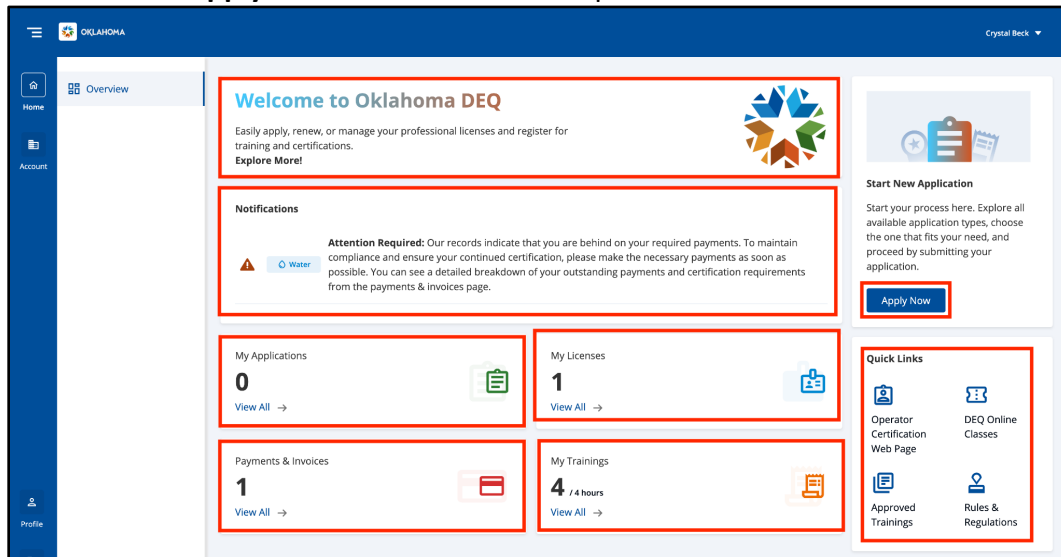

# Operator Dashboard

## Quick Links

- Provides direct access to commonly used resources and external pages.
- Use these links to quickly navigate to certifications, training, and regulatory information.

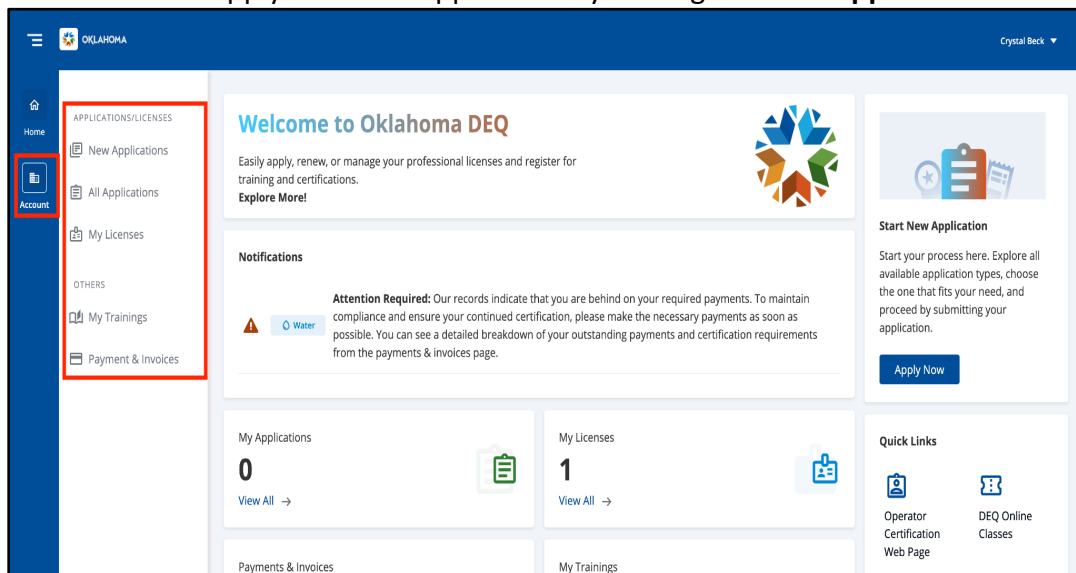

## Apply Now

- Allows you to begin a new application for licenses.
- Select **Apply Now** to submit a new request.

## My Account

- Click the Account button on the left panel to view the information related to your account, including All Applications, your Licenses, Training Hours, and Payments and Invoices.
- You can apply for a new application by clicking the **New Applications** link.
