SECTION II: Health and/or Mental Health Related Criteria

Refer to “Activity/Housing Summary” Form (EHR)

➢ Vulnerability of the inmate due to medical or mental conditions and/or treatments? (PREA 115.41(d)(1))
  ▪ Mental Health Level? (PREA 115.41(d)(1)) ____________________________
  ▪ Mental Health issues? ____________________________
  ▪ Physical or Developmental Disability/Limitations? (PREA 115.41(d)(1)) ____________________________
  ▪ Special Needs? ____________________________

Indicate if the inmate’s current health summary documents a need for lower floor/bunk assignment. Type and Date of Recommendation: ____________________________

SECTION III: Housing Restrictions

If there is a check for any response to any of the security related questions outlined above, indicate if there is sufficient evidence to impose security restrictions relative to the inmate’s assignment to bunk/celled housing. State clearly the restriction and the risk associated with the inmate, including the specific reason(s) for the restriction. List any documentation from which supporting evidence was obtained.

__________________________________________________________

The inmate will be reassessed if the following apply:

If the housing/cell restriction was warranted due to the inmate’s risk for victimization or abusiveness based on information identified in Section I of this screening for the cell assessment and/or any information received since the intake screening for the cell assessment, a reassessment will occur within 30 days of the inmate’s arrival and/or upon receipt of additional information. (PREA 115.41/241 (e)(f))

An inmate’s risk level will be reassessed when information is received regarding referral requests, incidents of sexual abuse, or receipt of additional information regarding the inmate’s risk of sexual victimization or abusiveness. (PREA 115.41/241 (g))
SECTION V: Administrative Review/Special Considerations (required on all facility receptions)

Cell/housing assignments for transgender or intersex inmate shall be reassessed at least twice each year to review any threats to safety experienced by the inmate. (PREA 115.42 (d))

The inmates view (Attachment B) regarding his/her safety shall be taken into consideration. (PREA 115.42 (e))

Cell/housing shall take into account that transgender and intersex inmates shall be afforded the opportunity to shower separately from other inmates. (PREA 115.42 (f))

Administrative Review: Assistant Facility Head/Facility Head

SECTION VI: Single Cell Assignment (OSP/MBCC/JHCC)

If based on this assessment it is determined that the inmate needs to be placed in a single cell, the Unit Classification Committee (UCC) will be convened and a determination of appropriate housing will be made. If no single cells are available, the unit team will forward this assessment to mental health services for completion of Section VII. Upon mental health services review, the recommendation will then be forwarded to the facility head for final approval/disapproval. Justification for the need to be single celled will be documented below. In addition, the inmate profile screening form and any other supporting documentation will be attached. Regardless of cell availability, the facility head must approve all single cell assignments.

Single Cell: _______Yes _______No

SECTION VII: Double Cell Override Review

If a single cell housing assignment of an inmate is recommended, but no single cell is available or provided at the facility, the inmate must be overridden to double cell. This override must be reviewed by a Qualified Mental Health Services Professional (QMHP) and approved by the facility head. Any inmate previously single celled that the UCC determines is now appropriate to double cell, must first be approved by the facility head prior to the inmate receiving a cell partner.

Mental Health Review:

_______Recommend Double Cell  _______Do Not Recommend Double Cell; inmate needs to be single celled.

Justification for Recommendation:  _______________________________________________
The inmate will be reassessed if the following apply:

If the housing/cell restriction was warranted due to the inmate’s risk for victimization or abusiveness based on information identified in Section I of this screening for the cell assessment and/or any information received since the intake screening for the cell assessment, a reassessment will occur within 30 days of the inmate’s arrival and/or upon receipt of additional information. (PREA 115.41 (e))

An inmate’s risk level will be reassessed when information is received regarding referral requests, incidents of sexual abuse, or receipt of additional information regarding the inmate’s risk of sexual victimization or abusiveness. (identify if the cell assessment was completed at intake and/or through reassessment a noted above) (PREA 115.41 (g))
