Visitation

Visitation is encouraged within the Oklahoma Department of Corrections (ODOC) to enable the inmate to strengthen family and community ties, increasing the likelihood of the inmate’s success after release. (2-CO-5D-01, 4-ACRS-5A-16)

For the purpose of this procedure, the following terms will apply:

“Facility Head” shall refer to wardens or administrators of Community Correction Centers responsible for the housing and supervision of inmates.

“Facility” includes institutions and community correction centers.

“Inmate” applies to anyone under the custody or care of a prison or community-based facility operated by or contracted with the Oklahoma Department of Corrections (ODOC).

“Offender” will apply to anyone under supervision, released from incarceration to parole,
suspended or court ordered post imprisonment supervision by the ODOC.

I. Eligibility to Visit

2. In the event the visitation area is at maximum capacity, the visitation officer will ask visitors, on a voluntary basis, to end their visit, beginning with the first visitors processed, until the required seating/space is available for incoming visitors. Visitors shall be permitted a two-hour visitation period prior to termination due to capacity issues.

3. Each person will be considered as one visitor.

4. No more than five approved visitors will be permitted to visit at the same time.
