Inmate Medical, Mental Health and Dental Care

I. Medical, Mental Health and Dental Care

The Oklahoma Department of Corrections (ODOC) has established written standards for the delivery, maintenance, and improvement of medical, mental health, and dental care services for inmates. (2-CO-4E-01) The term “healthcare” encompasses all three disciplines for standards of healthcare services.

A. Purpose

The purposes of health standards are to:

1. Provide constitutionally required health care for inmates;
2. Coordinate and standardize health care delivery in each facility; and
3. Enable inmates to obtain specialized health care when constitutionally required.

B. Definition

Healthcare is defined as the summary of all action taken, that is preventative and therapeutic, to provide for the physical and mental well-being of the inmate population. Such care includes medical, dental and mental health

services, nursing, personal hygiene, dietary services and health education. (4-ACRS-4C-01M, 4-ACRS-4C-11, 4-ACRS-4C-15)

II. Compliance with Licensure Requirements

All clinical staff employed by the agency for the purpose of providing inmate health care services will be licensed, certified or registered as required by Oklahoma state licensing laws and regulations. (2-CO-4E-01, 5-ACI-6A-28M, 5-ACI-6B-03M, 4-ACRS-4C-18, 4-ACRS-7B-02M)

III. Standards for Provision of Health Services (2-CO-4E-01)

Appropriate healthcare will be provided as required by the United States and Oklahoma constitutions to all inmates in the custody of the ODOC facilities and/or contract facilities housing Oklahoma inmates. Services will be provided in an equitable manner. Qualified health care professionals will be available to serve inmates' needs and provide medical referrals as appropriate.

A. Chronic, Convalescent and Infirmary Care (5-ACI-6A-18M)

Chronic, convalescent and infirmary care will be provided at designated facilities.

1. Facility infirmaries will be operated 24 hours a day for the purpose of providing skilled nursing care, chronic and convalescent care and special housing of inmates who do not need hospitalization as designated by the medical authority.
2. Inmates that cannot be appropriately cared for within an ODOC facility will be transferred to another appropriate medical facility equipped to provide the necessary service. (5-ACI-6A-05)

B. Routine Health Care (5-ACI-6A-03, 4-ACRS-4C-01)

1. Inmates can initiate requests for health services on a daily basis. Sick call requests will be triaged daily by registered nurse (RN)/licensed practical nurse (LPN) and clinic appointments will be scheduled utilizing a priority system. Clinical services in a clinical setting are available to inmates at least five days a week and are performed by qualified healthcare professionals.
2. Community corrections centers will provide health care services on site or at a designated nearby ODOC facility.

C. Emergency Care (5-ACI-6A-08M, 4-ACRS-4C-03M)

Emergency services will be available to all inmates 24 hours per day, seven days per week.

D. Pharmaceutical Services (5-ACI-6A-43M, 4-ACRS-4C-12)

Appropriate management of pharmaceutical services will be available to all inmates.

1. A formulary will be available and utilized for inmate pharmaceuticals.
2. A formalized process will be established for obtaining non-formulary medications.
3. Facilities will provide secure storage and daily inventory of all controlled substances, syringes and needles.
4. The proper management of pharmaceuticals is administered in accordance with state and federal law.

IV. Cost of Health Care (5-ACI-6A-02)

The agency has established guidelines for inmate health care co-payments. Upon their initial arrival, inmates are advised of the co-payment and are not refused health care because of their financial status.

V. Healthcare Records (2-CO-4E-01)

A. Health Assessments

A health assessment is completed on each inmate upon reception into the system, periodically as required by the inmate's health status and age and as appropriate upon transfer between facilities. (5-ACI-6A-25M, 5-ACI-6A-27, 4-ACRS-4C-04M)

B. Healthcare Records

ODOC will maintain comprehensive, confidential healthcare records regarding all health care services provided to inmates. (5-ACI-6C-03M, 4-ACRS-4C-22)
