# Facility AUDIT FINDINGS

## Summary of Audit Findings

The OAS automatically populates the number and list of Standards exceeded, the number of Standards met, and the number and list of Standards not met.

Auditor Note: In general, no standards should be found to be "Not Applicable" or "NA." A compliance determination must be made for each standard. In rare instances where an auditor determines that a standard is not applicable, the auditor should select "Meets Standard" and include a comprehensive discussion as to why the standard is not applicable to the facility being audited.

<b>Targeted Inmate/Resident/Detainee Interviews</b>	
<b>58. Enter the total number of TARGETED INMATES/RESIDENTS/DETAINEES who were interviewed:</b>	9
<p>As stated in the PREA Auditor Handbook, the breakdown of targeted interviews is intended to guide auditors in interviewing the appropriate cross-section of inmates/residents/detainees who are the most vulnerable to sexual abuse and sexual harassment. When completing questions regarding targeted inmate/resident/detainee interviews below, remember that an interview with one inmate/resident/detainee may satisfy multiple targeted interview requirements. These questions are asking about the number of interviews conducted using the targeted inmate/resident/detainee protocols. For example, if an auditor interviews an inmate who has a physical disability, is being held in segregated housing due to risk of sexual victimization, and disclosed prior sexual victimization, that interview would be included in the totals for each of those questions. Therefore, in most cases, the sum of all the following responses to the targeted inmate/resident/detainee interview categories will exceed the total number of targeted inmates/residents/detainees who were interviewed. If a particular targeted population is not applicable in the audited facility, enter "0".</p>

## SITE REVIEW AND DOCUMENTATION SAMPLING

### Site Review

PREA Standard 115.401 (h) states, "The auditor shall have access to, and shall observe, all areas of the audited facilities." In order to meet the requirements in this Standard, the site review portion of the onsite audit must include a thorough examination of the entire facility. The site review is not a casual tour of the facility. It is an active, inquiring process that includes talking with staff and inmates to determine whether, and the extent to which, the audited facility's practices demonstrate compliance with the Standards. Note: As you are conducting the site review, you must document your tests of critical functions, important information gathered through observations, and any issues identified with facility practices. The information you collect through the site review is a crucial part of the evidence you will analyze as part of your compliance determinations and will be needed to complete your audit report, including the Post-Audit Reporting Information.

<p><b>84. Did you have access to all areas of the facility?</b></p>	<p><input checked="" type="radio"/> Yes</p> <p><input type="radio"/> No</p>
<p><b>Was the site review an active, inquiring process that included the following:</b></p>	
<p><b>85. Observations of all facility practices in accordance with the site review component of the audit instrument (e.g., signage, supervision practices, cross-gender viewing and searches)?</b></p>	<p><input checked="" type="radio"/> Yes</p> <p><input type="radio"/> No</p>
<p><b>86. Tests of all critical functions in the facility in accordance with the site review component of the audit instrument (e.g., risk screening process, access to outside emotional support services, interpretation services)?</b></p>	<p><input checked="" type="radio"/> Yes</p> <p><input type="radio"/> No</p>
<p><b>87. Informal conversations with inmates/residents/detainees during the site review (encouraged, not required)?</b></p>	<p><input checked="" type="radio"/> Yes</p> <p><input type="radio"/> No</p>
<p><b>88. Informal conversations with staff during the site review (encouraged, not required)?</b></p>	<p><input checked="" type="radio"/> Yes</p> <p><input type="radio"/> No</p>
<p><b>89. Provide any additional comments regarding the site review (e.g., access to areas in the facility, observations, tests of critical functions, or informal conversations).</b></p>	<p>No text provided.</p>
<p><b>Documentation Sampling</b></p>	
<p>Where there is a collection of records to review-such as staff, contractor, and volunteer training records; background check records; supervisory rounds logs; risk screening and intake processing records; inmate education records; medical files; and investigative files-auditors must self-select for review a representative sample of each type of record.</p>	
<p><b>90. In addition to the proof documentation selected by the agency or facility and provided to you, did you also conduct an auditor-selected sampling of documentation?</b></p>	<p><input checked="" type="radio"/> Yes</p> <p><input type="radio"/> No</p>

**91. Provide any additional comments regarding selecting additional documentation (e.g., any documentation you oversampled, barriers to selecting additional documentation, etc.).**

## **SEXUAL ABUSE AND SEXUAL HARASSMENT ALLEGATIONS AND INVESTIGATIONS IN THIS FACILITY**

### **Sexual Abuse and Sexual Harassment Allegations and Investigations Overview**

Remember the number of allegations should be based on a review of all sources of allegations (e.g., hotline, third-party, grievances) and should not be based solely on the number of investigations conducted. Note: For question brevity, we use the term “inmate” in the following questions. Auditors should provide information on inmate, resident, or detainee sexual abuse allegations and investigations, as applicable to the facility type being audited.

**92. Total number of SEXUAL ABUSE allegations and investigations overview during the 12 months preceding the audit, by incident type:**

	<b># of sexual abuse allegations</b>	<b># of criminal investigations</b>	<b># of administrative investigations</b>	<b># of allegations that had both criminal and administrative investigations</b>

**Sexual Abuse Investigation Outcomes**

Note: these counts should reflect where the investigation is currently (i.e., if a criminal investigation was referred for prosecution and resulted in a conviction, that investigation outcome should only appear in the count for “convicted.”) Do not double count. Additionally, for question brevity, we use the term “inmate” in the following questions. Auditors should provide information on inmate, resident, and detainee sexual abuse investigation files, as applicable to the facility type being audited.

<b>115.11</b>	<b>Zero tolerance of sexual abuse and sexual harassment; PREA coordinator</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>(a) An agency has a written policy, OP-030601, mandating zero tolerance toward all forms of sexual abuse and sexual harassment. The policy outlines the agency’s approach to preventing, detecting, and responding to such conduct. Documentation of staff training was reviewed.</p> <p>(b) The agency employs an upper-level, agency-wide PREA coordinator with sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards in all of its facilities, as evidenced by review of the org chart. As noted in the PAQ, the PREA coordinator reports to the General Counsel. This was verified by the PREA coordinator during an interview.</p> <p>(c) The agency operates more than one facility, with each facility having a designated PREA compliance manager with sufficient time and authority to coordinate the facility’s efforts to comply with the PREA standards, as evidenced by review of facility org chart. As noted in the PAQ, the Deputy Warden has been designated as the PREA compliance manager for this facility and reports to the Warden. This was verified by</p>

	<p>the PREA compliance manager during an interview.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.12</b>	<b>Contracting with other entities for the confinement of inmates</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>As noted in the PAQ, the agency has entered into or renewed a contract for the confinement of inmates since the last PREA audit.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.13</b>	<b>Supervision and monitoring</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>(a) As evidenced by the agency staffing plan and observations of supervision practices made during the site review, the agency ensures that each facility it operates develops, documents, and makes its best efforts to comply on a regular basis with a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect inmates against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, the facility takes into consideration: (1) Generally accepted detention and correctional practices; (2) Any judicial findings of inadequacy; (3) Any findings of inadequacy from Federal investigative agencies; (4) Any findings of inadequacy from internal or external oversight bodies; (5) All components of the facility’s physical plant (including “blind-spots” or areas where staff or inmates may be isolated); (6) The composition of the inmate population; (7) The number and placement of supervisory staff; (8) Institution programs occurring on a particular shift; (9) Any applicable State or local laws, regulations, or standards; (10) The prevalence of substantiated and unsubstantiated incidents of sexual abuse; and (11) Any other relevant factors. This was verified during interviews with the warden and the PREA compliance manager.</p> <p>(b) As evidenced by the PAQ, observations of supervision practices made during the site review, and in an interview with the warden, the facility has not had to deviate from staffing plan.</p> <p>(c) As evidenced by a review of staffing plan annual reviews for multiple years and interviews with the PREA coordinator, once each year, for each facility the agency operates, in consultation with the PREA coordinator, the agency assesses,</p>

	<p>determines, and documents whether adjustments are needed to: (1) The staffing plan (2) The facility’s deployment of video monitoring systems and other monitoring technologies; and (3) The resources the facility has available to commit to ensure adherence to the staffing plan.</p> <p>(d) The agency has implemented policy OP-030601 and a practice of having intermediate-level or higher-level supervisors conduct and document unannounced rounds to identify and deter staff sexual abuse and sexual harassment. Such policy and practice are implemented for night shifts as well as day shifts. The policy prohibits staff from alerting other staff members that these supervisory rounds are occurring unless such an announcement is related to the legitimate operational functions of the facility. This was evidenced by a review of the PREA unannounced rounds documented in the logbooks and verified during an interview with staff responsible for conducting PREA unannounced rounds.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.14</b>	<b>Youthful inmates</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>As noted in the PAQ, the facility does not have youthful inmates (inmates &lt;18 years old).</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.15</b>	<b>Limits to cross-gender viewing and searches</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>(a) The facility does not conduct cross-gender strip searches or cross-gender visual body cavity searches except in exigent circumstances or when performed by medical practitioners, as evidenced by the PAQ, policy OP-040102 and observations made during the site review.</p> <p>(b) As noted in the PAQ and observations made during the site review, the facility does not have female inmates.</p> <p>(c) The facility would document any cross-gender strip searches and cross-gender visual body cavity searches, as evidenced by policy OP-040110. This is an all-male inmate facility.</p>

	<p>(d) The facility policy OP-030601 enables inmates to shower, perform bodily functions, and change clothing without nonmedical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks, as evidenced by observations made during the site review. Such policies and procedures require staff of the opposite gender to announce their presence when entering an inmate housing unit, as evidenced by observations made during the site review. This was verified during interviews with twenty-one random inmates and twelve random staff.</p> <p>(e) As evidenced by policy OP-040110, the facility does not search or physically examine a transgender or intersex inmate for the sole purpose of determining the inmate's genital status. If the inmate's genital status is unknown, it may be determined during conversations with the inmate, by reviewing medical records, or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner. This was verified during interviews with random staff and two inmates that identified as transgender or intersex.</p> <p>(f) The agency trains security staff in how to conduct cross-gender pat-down searches, and searches of transgender and intersex inmates, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs, as evidenced by a review of the training curriculum and staff training logs and verified through interviews with random staff.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.16</b>	<b>Inmates with disabilities and inmates who are limited English proficient</b>
	<b>Auditor Overall Determination:</b> Exceeds Standard
	<b>Auditor Discussion</b>
	<p>(a) The agency takes appropriate steps to ensure that inmates with disabilities have an equal opportunity to participate in or benefit from all aspects of the agency's efforts to prevent, detect, and respond to sexual abuse and sexual harassment. In addition, the agency ensures that written materials are provided in formats or through methods that ensure effective communication with inmates with disabilities, including inmates who have intellectual disabilities, limited reading skills, or who are blind or have low vision. This is evidenced by policy OP-030601, interpreter list, protocol testing, PREA handbook in Spanish, staff in-service training rosters, and observations made during the site review. Interviews with the General Counsel designee and three inmates with disabilities or who are limited English proficient verified this practice.</p> <p>(b) The agency takes reasonable steps to ensure meaningful access to all aspects of the agency's efforts to prevent, detect, and respond to sexual abuse and sexual</p>

	<p>harassment to inmates who are limited English proficient, including steps to provide interpreters who can interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary, as evidenced by the PREA Spanish handbook, staff in-service training rosters and observations made during the site review of postings in English and Spanish. This was verified during interviews with three inmates with disabilities or who are limited English proficient. The agency works closely with the Disability Law Center. The Disability Law Center conducts monthly visits to assess inmates with disabilities for the purpose of providing information, training and referral to programs to address their individual needs, information and training on their individual rights, and information about the services the Center provides. The Center provides posters to the facility with contact information and locations where inmates with disabilities can receive services.</p> <p>(c) The agency does not rely on inmate interpreters, inmate readers, or other types of inmate assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the inmate’s safety, the performance of first-response or the investigation of the inmate’s allegations, as evidenced by policy OP-030301 and interviews with twelve random staff and three inmates with disabilities or who are limited English proficient.</p> <p>Based on the evidence presented, the facility exceeds compliance with this standard due to the working relationship and monthly visits with the Law Library Center.</p>

<b>115.17</b>	<b>Hiring and promotion decisions</b>
	<p><b>Auditor Overall Determination:</b> Meets Standard</p> <p><b>Auditor Discussion</b></p> <p>(a) Per policy, OP-110235, the agency does not hire or promote anyone who may have contact with inmates, and does not enlist the services of any contractor who may have contact with inmates, who (1) Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution; (2) Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or (3) Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section. This was evidenced by a review of staff rosters of staff hired or promoted within the last twelve months and a review of ten employee files. The facility does not contract with any contractors currently.</p> <p>(b) The agency considers any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with inmates, as evidenced by policy OP-110235 and verified through interviews with HR staff. The facility does not contract with any contractors currently.</p>

	<p>(c) Before hiring new employees who may have contact with inmates, the agency (1) Performs a criminal background records check; and (2) Consistent with Federal, State, and local law, make its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse, as verified by policy OP-110210, a review of employee files and verified during interviews with HR staff.</p> <p>(d) The facility does not contract with any contractors currently.</p> <p>(e) The agency conducts criminal background records checks at least every five years of current employees and contractors who may have contact with inmates, as evidenced by policy OP-110210, a review of employee files, a listing of employees employed longer than five years, and during interviews with HR staff.</p> <p>(f) The agency asks all applicants and employees who may have contact with inmates directly about previous misconduct in written applications or interviews for hiring or promotions and in any interviews or written self-evaluations conducted as part of reviews of current employees. The agency also imposes upon employees a continuing affirmative duty to disclose any such misconduct, as verified through interviews with HR staff.</p> <p>(g) Material omissions regarding such misconduct, or the provision of materially false information, are grounds for termination, as evidenced by policy OP-110210.</p> <p>(h) The agency provides information on substantiated allegations of sexual abuse or sexual harassment involving a former employee upon receiving a request from an institutional employer for whom such employee has applied to work, as verified by interviews with HR staff.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

	<p>(a) The agency ensures that an administrative or criminal investigation is completed for all allegations of sexual abuse and sexual harassment, as evidenced by policy OP-040117, a review of fifteen investigation files, and during an interview with the General Counsel designee. According to the PAQ, in the past twelve months, the facility received 59 allegations of sexual abuse or sexual harassment, of which, 24 resulted in an administrative investigation and 35 were referred for criminal investigations.</p> <p>(b) The agency has in place a policy, OP-030601, to ensure that allegations of sexual abuse or sexual harassment are referred for investigation to an agency with the legal authority to conduct criminal investigations, unless the allegation does not involve potentially criminal behavior. The agency publishes the policy on its website. The agency documents all such referrals. This was evidenced through interviews with investigators and a review of the agency website.</p> <p>(c) The agency is responsible for conducting criminal investigations. <b>115.42</b>	<b>Use of screening information</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>(a) The agency uses information from the risk screening required by § 115.41 to inform housing, bed, work, education, and program assignments with the goal of keeping separate those inmates at high risk of being sexually victimized from those at high risk of being sexually abusive, as evidenced by policy OP-030601, risk based housing decisions documents, and interviews with the PREA compliance manager and staff responsible for risk screenings.</p> <p>(b) The agency makes individualized determinations about how to ensure the safety of each inmate, as evidenced by policy OP-030601 and interviews with staff responsible for risk screenings.</p> <p>(c) In deciding whether to assign a transgender or intersex inmate to a facility for male or female inmates, and in making other housing and programming assignments,</p>

the agency considers on a case-by-case basis whether a placement would ensure the inmate's health and safety, and whether the placement would present management or security problems, as evidenced by policy OP-030601, cell assignment documents, and an interview with the PREA compliance manager and transgender inmates.

(d) Placement and programming assignments for each transgender or intersex inmate is reassessed at least twice each year to review any threats to safety experienced by the inmate, as evidenced by reassessments, interviews with the PREA compliance manager and staff responsible for risk screenings.

(e) A transgender or intersex inmate's own view with respect to his or her own safety is given serious consideration, as evidenced by interviews with the transgender inmates, PREA compliance manager and staff responsible for risk screenings.

(f) Transgender and intersex inmates are given the opportunity to shower separately from other inmates, as evidenced by observations made during the site review, cell assignment documents, and interviews with the transgender inmates, PREA compliance manager and staff responsible for risk screenings.

(g) The agency does not place lesbian, gay, bisexual, transgender, or intersex inmates in dedicated facilities, units, or wings solely on the basis of such identification or status, unless such placement is in a dedicated facility, unit, or wing established in connection with a consent decree, legal settlement, or legal judgment for the purpose of protecting such inmates, as evidenced by observations made during the site review and interviews with the PREA coordinator, PREA compliance manager and transgender inmates.

Based on the evidence presented, the facility is in compliance with this standard.

	<b>Auditor Discussion</b>
	<p>(a) Inmates at high risk for sexual victimization are not placed in involuntary segregated housing unless an assessment of all available alternatives has been made, and a determination has been made that there is no available alternative means of separation from likely abusers. If a facility cannot conduct such an assessment immediately, the facility may hold the inmate in involuntary segregated housing for less than 24 hours while completing the assessment, as evidenced by policy OP-030601. The PAQ notes that there have not been any inmates at risk of sexual victimization held in involuntary segregated housing in the past 12 months. According to an interview with the warden, inmates at high risk of sexual victimization are not placed in involuntary segregated housing.</p> <p>(b) Inmates placed in segregated housing for this purpose would have access to</p>

	<p>programs, privileges, education, and work opportunities to the extent possible. If the facility restricts access to programs, privileges, education, or work opportunities, the facility will document (1) The opportunities that have been limited; (2) The duration of the limitation; and (3) The reasons for such limitations. According to an interview with the warden and staff who supervise inmates in segregated housing, inmates at high risk of sexual victimization are not placed in involuntary segregated housing.</p> <p>(c) According to the PAQ and an interview with the warden and staff who supervise inmates in segregated housing, inmates at high risk of sexual victimization are not placed in involuntary segregated housing.</p> <p>(d) According to the PAQ and an interview with the warden and staff who supervise inmates in segregated housing, inmates at high risk of sexual victimization are not placed in involuntary segregated housing.</p> <p>(e) Policy OP-030601 states that every 30 days, the facility will afford each such inmate a review to determine whether there is a continuing need for separation from the general population.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.51</b>	<b>Inmate reporting</b>

	<p><b>Auditor Discussion</b></p> <p>(a) The agency provides multiple internal ways for inmates to privately report sexual abuse and sexual harassment, retaliation by other inmates or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents, as evidenced by policy OP-030601, inmate handbook in English and Spanish, Inmates Guide to Sexual Misconduct, observations made during the site review, protocol testing, and interviews with random staff and inmates.</p> <p>(b) The agency also provides at least one way for inmates to report abuse or harassment to a public or private entity or office that is not part of the agency, and that is able to receive and immediately forward inmate reports of sexual abuse and sexual harassment to agency officials, allowing the inmate to remain anonymous upon request, as evidenced by policy OP-030601, an MOU with Oklahoma State Bureau of Investigation (OSBI), observations made during the site review, protocol testing, and interviews with the PREA compliance manager and random inmates.</p> <p>(c) Staff accept reports made verbally, in writing, anonymously, and from third parties and will promptly document any verbal reports on an incident report, as evidenced by policy OP-030601, an incident report, observations made during the site review and interviews with random staff and inmates.</p>

	<p>(d) The agency provides a method for staff to privately report sexual abuse and sexual harassment of inmates, as evidenced by policy OP-030601, Sexual Misconduct and Harassment pamphlet, and a Know PREA flyer. This was verified by protocol testing and interviews with random staff.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

115.52	Exhaustion of administrative remedies
	<p><b>Auditor Overall Determination:</b> Meets Standard</p> <p><b>Auditor Discussion</b></p> <p>(a) The agency has an administrative procedure to address inmate grievances regarding sexual abuse, as evidenced by policy OP-090124.</p> <p>(b) Policy OP-090124 allows an inmate to submit a grievance regarding an allegation of sexual abuse at any time, regardless of when the incident is alleged to have occurred. Inmates receive an Inmate Handbook available in English and Spanish that explains the grievance process.</p> <p>(c) The agency ensures that (1) An inmate who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and (2) Such grievance is not referred to a staff member who is the subject of the complaint. This was evidenced by policy OP-090124.</p> <p>(d) (1) The agency issues a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance. (2) Computation of the 90-day time period does not include time consumed by inmates in preparing any administrative appeal. (3) The agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. The agency will notify the inmate in writing of any such extension and provide a date by which a decision will be made. (4) At any level of the administrative process, including the final level, if the inmate does not receive a response within the time allotted for reply, including any properly noticed extension, the inmate may consider the absence of a response to be a denial at that level. This was evidenced by policy OP-090124 and interviews with three inmates who reported sexual abuse. According to the PAQ, there have not been any grievances filed that alleged sexual abuse in the past 12 months.</p> <p>(e) Policy OP-090124 addresses (1) Third parties, including fellow inmates, staff members, family members, attorneys, and outside advocates, are permitted to assist inmates in filing requests for administrative remedies relating to allegations of sexual abuse, and are permitted to file such requests on behalf of inmates. (2) If a third party files such a request on behalf of an inmate, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf and may also require the alleged victim to personally pursue</p>

any subsequent steps in the administrative remedy process. (3) If the inmate declines to have the request processed on his or her behalf, the agency will document the inmate's decision. This was evidenced by observations made during the site review and protocol testing.

(f) (1) The agency established procedures, policy OP-090124, for the filing of an emergency grievance alleging that an inmate is subject to a substantial risk of imminent sexual abuse. (2) After receiving an emergency grievance alleging an inmate is subject to a substantial risk of imminent sexual abuse, the agency immediately forwards the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, will provide an initial response within 48 hours, and will issue a final agency decision within 5 calendar days. The initial response and final agency decision documents the agency's determination whether the inmate is a substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance. The PAQ notes that there have not been any grievances alleging substantial risk of imminent sexual abuse filed in the past 12 months.

(g) The agency has a written policy, OP-090124 that limits its ability to discipline an inmate for filing a grievance alleging sexual abuse to occasions where the agency demonstrates that the inmate filed the grievance in bad faith. As noted in the PAQ, in the past 12 months, the facility has not received any inmate grievances alleging sexual abuse that resulted in disciplinary action by the agency against the inmate for having filed the grievance in bad faith.

Based on the evidence presented, the facility is in compliance with this standard.

	<p><b>Auditor Discussion</b></p> <p>(a) The facility provides inmates with access to outside victim advocates for emotional support services related to sexual abuse by giving inmates mailing addresses and telephone numbers, including toll-free hotline numbers where available, victim advocacy or rape crisis organizations. PREA phone numbers do not require inmates to enter their PIN numbers.</p> <p>(b) The facility informs inmates, prior to giving them access, of the extent to which such communications will be monitored and the extent to which reports of abuse will be forwarded to authorities in accordance with mandatory reporting laws, as</p>

	<p>evidenced by policy OP-030601, MOU with KI BOIS, observations made during the site review and interviews with random inmates and three inmates who reported sexual abuse.</p> <p>(c) The agency maintains an MOU with KI BOIS to provide inmates with confidential emotional support services related to sexual abuse.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

As noted in the PAQ, there have been 59 instances in the last 12 months where the facility has determined that an inmate was subject to a substantial risk of imminent sexual abuse. This is evidenced by policy OP-030601, investigation reports, and interviews with security staff and non-security staff first responders and inmates who reported sexual abuse. During interviews with staff first responders, staff produced a PREA response card that they carry on their possession that contain first responder duties.</p> <p>(b) If the first staff responder is not a security staff member, the responder is required to request that the alleged victim not take any actions that could destroy physical evidence, and then notify security staff, as evidenced by policy OP-030601, review of incident reports and interviews with security and non-security staff first responders and random staff.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.67</b>	<b>Agency protection against retaliation</b>
	<b>Auditor Overall Determination:</b> Exceeds Standard
	<p><b>Auditor Discussion</b></p> <p>(a) The agency has established a policy, OP-030601, to protect all inmates and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other inmates or staff. The agency has designated a staff member, the deputy warden, that is charged with monitoring retaliation.</p> <p>(b) The agency employs multiple protection measures, such as housing changes or transfers for inmate victims or abusers, removal of alleged staff or inmate abusers from contact with victims, and emotional support services for inmates or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations, as evidenced by interviews with the General Counsel designee, warden, the designated staff charged with monitoring retaliation and inmates who reported sexual abuse. Investigation files were reviewed.</p> <p>(c) For at least 90 days following a report of sexual abuse, the agency will monitor the conduct and treatment of inmates or staff who reported the sexual abuse and of inmates who were reported to have suffered sexual abuse to see if there are changes that may suggest possible retaliation by inmates or staff and will act promptly to remedy any such retaliation. The agency will continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need. This was evidenced by policy OP-030601 and interviews with the warden and designated staff charged with</p>

	<p>monitoring retaliation. The PAQ notes that in the past 12 months no retaliation has occurred. In review of investigation files, it became evident that the facility monitors for retaliation on every allegation made even if retaliation is not suspected.</p> <p>(d) In the case of inmates, such monitoring will also include periodic status checks, as evidenced by an interview with the designated staff charged with monitoring retaliation and a review of investigation files.</p> <p>(e) If any other individual who cooperates with an investigation expresses a fear of retaliation, the agency will take appropriate measures to protect that individual against retaliation, as evidenced by interviews with the General Counsel designee and the warden.</p> <p>Based on the evidence presented, the facility exceeds compliance with this standard due to monitoring for retaliation of each allegation without suspicion.</p>

	<p>(a) Any use of segregated housing to protect an inmate who is alleged to have suffered sexual abuse is subject to the requirements of § 115.43. The agency policy OP-030601 prohibits the placement of inmates who allege to have suffered sexual abuse in involuntary segregated housing unless an assessment of all available alternatives has been made and a determination has been made that there is no available alternative means of separation from likely abusers, as evidenced by a review of investigation files and interviews with the warden and staff who supervise segregated housing. At time of audit, there were no inmates being held in segregated housing for risk of sexual victimization or who allege to have suffered sexual abuse. As noted in the PAQ, no inmates who alleged to have suffered sexual abuse were held in involuntary segregated housing in the past 12 months.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.71</b>	<b>Criminal and administrative agency investigations</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>(a) The agency conducts its own investigations into allegations of sexual abuse and sexual harassment promptly, thoroughly, and objectively for all allegations, including third-party and anonymous reports, as evidenced by policy OP-030601, a review of</p>

investigation files and through interviews with investigators. The investigators are highly trained sworn law enforcement officers.

(b) During the interview, investigators stated that when sexual abuse is alleged, the agency uses investigators who have received special training in sexual abuse investigations pursuant to § 115.34, as evidenced by a review of training certificates found in 115.34.

(c) Investigators stated during interview that they gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; interview alleged victims, suspected perpetrators, and witnesses; and review prior complaints and reports of sexual abuse involving the suspected perpetrator. This was evidenced by a review of investigation reports.

(d) When the quality of evidence appears to support criminal prosecution, the agency conducts compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution, as evidenced by an interview with investigators and a review of investigation files.

(e) During interviews with investigators and inmates who reported sexual abuse, the credibility of an alleged victim, suspect, or witness is assessed on an individual basis and will not be determined by the person's status as inmate or staff. The agency will not require an inmate who alleges sexual abuse to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation.

(f) Investigators stated that administrative investigations (1) will include an effort to determine whether staff actions or failures to act contributed to the abuse; and (2) will be documented in written reports that include a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings. This was evidenced by observations made during the site review and a review of administrative investigation reports.

(g) Criminal investigations are documented in a written report that contains a thorough description of physical, testimonial, and documentary evidence and attaches copies of all documentary evidence where feasible, as evidenced by interviews with investigators, observations made during the site review and a review of criminal investigation reports.

(h) Substantiated allegations of conduct that appear to be criminal are referred for prosecution. This was evidenced by a review of investigation files and interviews with investigators.

(i) The agency retains all written reports for as long as the alleged abuser is incarcerated or employed by the agency, plus five years, as evidenced by policy OP-040117, observations made during the site review and a review of investigation files.

	<p>(j) The departure of the alleged abuser or victim from the employment or control of the facility or agency will not provide a basis for terminating an investigation, as evidenced by interviews with investigators.</p> <p>(l) The agency does not use outside investigators to conduct administrative or criminal sexual abuse investigations.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

	<p>(a) Staff will be subject to disciplinary sanctions up to and including termination for violating agency sexual abuse or sexual harassment policy OP-030601.</p> <p>(b) Termination will be the presumptive disciplinary sanction for staff who have engaged in sexual abuse. According to the PAQ, in the past 12 months, one staff from the facility violated agency sexual abuse or sexual harassment policies. Investigation file was reviewed.</p> <p>(c) Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) will be commensurate with the nature and circumstances of the acts committed, the staff member’s disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories, as evidenced by policy OP-030601. According to the PAQ, in the past 12 months, no staff from the facility has been disciplined, short of termination, for violation of agency sexual abuse or sexual harassment policies.</p> <p>(d) All terminations for violations of agency sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, will be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies, as evidenced by policy OP-030601. According to the PAQ, in the past 12 months, one staff from the facility have been reported to law enforcement or licensing boards following their termination (or resignation prior to termination) for violating agency sexual abuse or sexual harassment policies. The PAQ notes that in the past 12 months, no contractors or volunteers were reported to law enforcement for engaging in sexual abuse of inmates.</p> <p>(b) The facility will take appropriate remedial measures and consider whether to prohibit further contact with inmates, in the case of any other violation of agency sexual abuse or sexual harassment policies by a contractor or volunteer, as evidenced by policy OP-030601 and an interview with the warden.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>

<b>115.78</b>	<b>Disciplinary sanctions for inmates</b>

	<p>(a) Inmates will be subject to disciplinary sanctions pursuant to a formal disciplinary process following an administrative finding that the inmate engaged in inmate-on-inmate sexual abuse, as evidenced by policy OP-030601. According to the PAQ, in the past 12 months, no administrative or criminal findings of inmate-on-inmate sexual abuse have occurred at the facility.</p> <p>(b) Sanctions will be commensurate with the nature and circumstances of the abuse committed, the inmate's disciplinary history, and the sanctions imposed for comparable offenses by other inmates with similar histories, as evidenced by a review of investigation reports and an interview with the warden.</p> <p>(c) The disciplinary process will consider whether an inmate's mental disabilities or mental illness contributed to his or her behavior when determining what type of sanction, if any, should be imposed, as evidenced by a review of investigation reports and an interview with the warden.</p> <p>(d) The facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse. The facility considers whether to require the offending inmate to participate in such interventions as a condition of access to programming or other benefits, as evidenced by interviews with medical and mental health staff.</p>

	<p>(e) According to the PAQ, the agency may discipline an inmate for sexual contact with staff only upon a finding that the staff member did not consent to such contact.</p> <p>(f) For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred will not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation, as evidenced by policy OP-030601.</p> <p>(g) Per policy OP-060125, the agency prohibits all sexual activity between inmates and may discipline inmates for such activity. The agency may not, however, deem such activity to constitute sexual abuse if it determines that the activity is not coerced.</p> <p>Based on the evidence presented, the facility is in compliance with this standard.</p>
