

Combo Built Laundry Detergent Blue Lemon

- A proprietary blend high pH detergent designed to remove heavy soil.
- Combo is a rich liquid that represents the latest in the development of liquid surfactants.
- Its high concentration and exceptional detergency allow it to be effectively used in laundry applications.
- It removes a wide variety of soils completely without damage to even sensitive fabrics.
- Combo rinses well and will not build up on fiber.
- It will not fade bright colors or dull white colored linens.
