

Dish Chemical Rinse Aid Blue No Scent

- Sold in (2) 1 gallon case or 5-gallon container.
- Rinse dry aid is specifically designed to handle the problems of water hardness in the final rinse of mechanical dishwashers.
- Heavy-duty rinse additive which eliminates spots on all types of kitchen utensils as well as preventing deposits of hard water minerals in the rinse section of the dish machine.
- This product can be used in the hardest of water conditions with excellent results.
