

Lemon Disinfectant

- Use LEMON DISINFECTANT as a disinfectant on hard, non-porous, non-food surfaces. Use for non-scratch cleaning of showers and tubs, shower doors, fixtures and toilet bowl exteriors . Use to clean and disinfect sealed finished floors, sinks and tubs. Use with a mop and bucket, trigger sprayer, sponge or by soaking.
- Use LEMON DISINFECTANT in: Health care facilities, Restaurants [Front of House], Schools, and Institutional facilities. Cross-contamination is of major housekeeping concern. LEMON DISINFECTANT has been formulated to aid in the reduction of cross-contamination between treated surfaces not only in hospitals, but in schools, institutions and industry.
- Use LEMON DISINFECTANT on washable hard, non-porous surfaces of: bathroom fixtures, floors, and non-critical medical equipment surfaces: medical examining tables, medical lamps, rescue tools, resuscitators, medical scales, stands, stretchers, stethoscopes, walkers and wheelchairs. Other hard, non-porous surfaces made of: plastic and stainless steel.
- LEMON DISINFECTANT is a disinfecting auto cleaner. Use LEMON DISINFECTANT in cars, buses, campers, emergency vehicles, taxis, trailers, boats, airplanes, and transportation terminals.
- LEMON DISINFECTANT can be used on hard, non-porous surfaces of: dashboards, instrument panel, doors, door handles, gauges, steering wheel, and gear shifters. Surfaces include: metal, plastic, laminated surfaces, upholstery, vinyl and plastic.
- Kills SARS-CoV-2 virus, the cause of COVID-19.
- Effective against SARS-Related Coronavirus 2 [SARS-CoV-2] in 1 minute.
