

Premium Laundry Iron Out Sour/Soft Rust Remover Fabric Softener

- Premium Sour/Soft is a liquid softener that leaves all fabrics soft and static-free.
- It contains optical brighteners to revive whites and colored fabrics.
- This buffered acid sour neutralizes all traces of detergent or break alkali.
- It also contains ingredients designed to combat iron and rust stains.
- Sour/Soft promotes complete rinsing by solubilizing harsh synthetic and soap wetting agents and thereby enhances the brightness of colors and whiteness of whites.
