When cold winds pick up and the day demands both professionalism and performance, the Propper® 1/4 Zip Softshell Job Shirt keeps you protected without sacrificing mobility. Its durable water-repellent softshell fabric sheds moisture and dirt while providing warmth, and strategic canvas reinforcements at high-wear areas ensure long-lasting durability through daily use. The stand collar and YKK Vislon® zipper seal out wind and cold, while thoughtfully positioned pockets and mic clips at the shoulders give you quick access to essential gear.
