- Breathable fabric dries quickly to keep you comfortable in any condition
- Anti-odor
- Self-fabric collar with stays
- Tactical mic clip slots at shoulder seam
- Pen pockets at left sleeve for quick access
- NTOA member tested and approved
- Imported

The Propper EdgeTec Polo is a short sleeve collared top designed for professional performance and comfort. This uniform shirt features a premium polyester/spandex composition that flexes with your every move while wicking away moisture to keep you dry. Flatlock seams eliminate irritating bulk and improve your range of motion during active wear, with tactical elements including shoulder seam mic clip slots and left sleeve pen pockets.
