- Snag and pill-resistant design
- Anti-odor treatment for extended wear
- Self-fabric cuff for durability
- Collar with stays for professional appearance
- Mic clip slots at shoulder seam
- Pen pockets at left sleeve
- Comfort flatlock seams
- Classic fit for range of motion
- NTOA member tested and approved
- Imported

The Women's EdgeTec Long Sleeve Polo combines professional appearance with tactical functionality, featuring snag-resistant polyester-spandex fabric that actively manages body heat while wicking moisture away from skin. Designed with flatlock seams for enhanced comfort during extended wear, this updated alternative to the ICE Polo includes practical features like shoulder mic clips and a sleeve pen pocket. The classic fit and self-fabric cuffs ensure a polished look that maintains its shape throughout your shift.
