- Classic fit with stretch design
- NTOA member tested and approved
- Imported

The EdgeTec Polo combines professional appearance with tactical functionality, offering durability and comfort for demanding shifts. This uniform shirt features snag and pill-resistant fabric that maintains a professional look shift after shift, while the performance blend technology creates a stretch fit that moves with you and manages moisture during long shifts. Flatlock seams reduce bulk and support movement, ensuring comfort throughout demanding shifts. Designed for the professional, this polo provides both a polished look and practical functionality.
