- Oil- and slip-resistant rubber outsole for traction
- Arch design resists wear from ladders and fast-roping
- Engineered using true U.S. sizing for optimal fit and weight distribution
- NTOA member tested and approved for reliability
- FREE optional fit inserts included for customized comfort

Keep your feet comfortable through long shifts with the Series 100® 6” Side Zip Boot. Made with polishable full-grain leather and tough 1000D nylon, these boots offer a professional look that lasts. The premium memory foam insole and breathable moisture-wicking liner keep feet comfortable and dry, while the oil- and slip-resistant rubber outsole provides reliable traction. True US sizing ensures proper weight distribution for all-day comfort. Convenient YKK side zippers and friction-resistant speed lacing let you gear up quickly and securely.
