- 1000D nylon upper with AR 670-1 compliant flesh-out cattle hide upper
- Premium memory foam insole for all-day comfort
- Engineered using true US sizing for optimal fit and weight distribution
- FREE optional fit inserts included
- Friction-resistant speed lacing system
- Arch design engineered to resist wear from ladders and fast-roping
- Open cell air mesh foam for full foot air circulation
- Breathable liner with Aegis® treatment to prevent odor
- Oil- and slip-resistant rubber outsole for superior traction
- Engineered using true US sizing for superior fit
- NTOA member tested and approved

Built for maximum comfort and durability in demanding combat environments, the Series 100® 8" Boot delivers military-grade performance with all-day wearability. Premium memory foam insoles provide optimal cushioning while the included washable fit inserts offer customizable arch support and weight distribution. The friction-resistant speed lacing system allows quick deployment, and the specialized arch design stands up to ladder climbing and fast-roping operations. With breathable antimicrobial lining to fight odor and high-quality cattle hide suede and nylon, these boots keep you moving when it matters most.
