

Propper 6" Tactical Duty Boot

SKU: F4522

- Polishable leather and 900D nylon mesh upper
- Breathable, moisture-wicking mesh lining
- Friction-resistant speed lacing system
- Tongue gusset stitched down to prevent dirt and debris entry
- Padded collar for enhanced comfort
- YKK side zipper with zipper guard for quick on/off
- Low profile design for tactical applications
- Athletic performance rubber sole for reliable traction

The Propper® Tactical Duty Boot 6" delivers reliable performance when facing demanding work situations in the field. This boot is made with polishable leather and durable 900D nylon mesh, maintaining a professional appearance while standing up to rigorous use. The breathable, moisture-wicking mesh lining keeps feet dry during extended wear, while the padded collar and athletic performance rubber sole provide comfort and stability across varied terrain. A YKK side zipper with protective guard allows for quick deployment, and the friction-resistant speed lacing system ensures a secure fit throughout your mission.
