- Breathable, moisture-wicking mesh lining
- Friction-resistant speed lacing system
- Tongue gusset stitched down to prevent dirt and debris entry
- Padded collar for enhanced comfort
- YKK side zipper with zipper guard for quick on/off
- Low profile design for tactical applications
- Athletic performance rubber sole for reliable traction

Whether you're patrolling streets or navigating difficult field conditions, the Propper® Tactical Duty Boot 8" delivers the reliable performance your mission demands. Built with a polishable leather and 900D nylon mesh upper, these boots combine the professional appearance you need with durability that stands up to your daily wear. During long shifts on your feet, the breathable, moisture-wicking mesh lining keeps your feet dry and comfortable even during the longest operations, while the friction-resistant speed lacing system and YKK side zipper ensure you can deploy quickly when every second counts. With a padded collar that prevents hotspots during movement and an athletic performance rubber sole that gives you confident traction in unpredictable environments, these boots support you through every challenge your duty presents.
