

## VISUAL SCREENING REPORT

## APPLICANT INSTRUCTIONS

You have been referred to the Medical Standards Section of the Department of Public Safety because you failed the vision screening during the driver license application process. To continue with the driver licensing process, you must have your eyes examined by an ophthalmologist or optometrist to determine whether your sight may be improved by lens(es) or medical treatment.

After this form has been completed by an ophthalmologist or optometrist based on an examination performed within the past sixty (60) days, it should be returned to the Department at the following address:

Department Of Public Safety, Attn: Medical Standards Section, PO Box 53004 Oklahoma City OK 73152-9998. You may also fax the completed form to 405-497-7035.

The applicant is responsible for all fees incurred for the examination. Patient/Licensee/Applicant Full Legal Name Last Name First Name Middle Name Date of Birth \_\_\_\_\_/ \_\_\_\_ Driver License Number \_\_\_\_\_ Mailing Address PHYSICIAN INSTRUCTIONS All applicants for original or renewal driver licenses and licensed drivers whose traffic records cause doubt as to their ability to drive safely, may have their vision screened by a Driver License Examiner. When more accurate measurements are needed, the licensee is asked to have an examination performed by an ophthalmologist or optometrist. A report from such a specialist is particularly valuable if the fitness of a person to drive is questionable. Please sign this visual screening report to indicate your medical license number. Also, for proper identification, please ask the person examined to sign the report in your presence. Visual screening reports from licensed practitioners will be acceptable. The specialist assumes no responsibility in making this report other than that of truthfully representing the facts. Name of Specialist Mailing Address ST Zip City Specialty License # and State of Licensure Telephone Number I hereby authorize the above-named specialist to perform the examination and provide this information to the Department of Public Safety for driver license purposes. Signature of patient

## THIS FORM MUST BE COMPLETED BY A LICENSED OPHTHALMOLOGIST OR OPTOMETRIST

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Right Eye                                        | Left Eye                                                                                   | Both Eyes                                       |
