

Applying for a Wrecker Service License

1. Determine if you need a wrecker service license:

- **Definition** of a wrecker or wrecker vehicle as stated in [47 O.S.§72-951](#). 1 “means any motor vehicle that is equipped with any device designed to tow another vehicle or combination of vehicles”. Tow or towing means the use of a wrecker vehicle to lift, pull, move, haul or otherwise transport any other vehicle by means of attaching the vehicle to and pulling the vehicle with the wrecker vehicle or loading the vehicle onto and transporting the vehicle upon the wrecker vehicle.
- **Exceptions** to needing a wrecker license are:
 1. When the operator owns both the wrecker vehicle and the towed vehicle and the wrecker vehicle displays on both sides in plainly visible letters the words “NOT FOR HIRE” (not less than two (2) inches in height).
 2. When the service is performed by a transporter defined as a person engaged in the business of delivering vehicles of a type required to be registered hereunder from a manufacturing, assembling or distributing plant to dealer or sales agents of a manufacturer or from the place of business of a dealer, sales agent or auto auction to a place of business of the same or another dealer, sales agent or auto auction.
 3. When the service is performed in conjunction with the transportation of household goods and property.
 4. Where the wrecker vehicle is owned or operated by the United States government, the State of Oklahoma, or any department or political subdivision thereof.
 5. Where the service is performed by an out-of-state wrecker service at the request of the vehicle owner or operator, the vehicle is not involved in a collision, and is being towed:
 - In either direction across the border between Oklahoma and a neighboring state or through Oklahoma in transit to another state; provided the out-of-state wrecker service shall comply with all other requirements regarding interstate commerce as set forth in law.

2. Determine what type of license you want to apply for:

- **G class wrecker services with no storage** can tow vehicles, at the owner's request, from one location to another but cannot take the vehicle back to their home or store the vehicle in another's storage facility.
- **Class G wrecker service with storage** (many do repossessions) may pick up vehicles at the owner or lien holder's request and take back to their storage facility. They cannot tow a vehicle from private property at the property owner's request and they cannot tow for law enforcement agencies.
- **Class AA wrecker services**, must have an office in Oklahoma, where business can be conducted, and have an outdoor storage facility, they may also have an indoor storage facility. Class AA can tow owner request, private property and be on law enforcement rotation.
 - They can tow all vehicles as long as you do not go over the Gross Vehicle Weight Rating (GVWR) of your wrecker vehicle.
