(c) The filing of an application for a license does not authorize wrecker or towing service operations by the applicant. Operation may commence only after all requirements have been met and proper authorization has been issued by the Department.

(d) The application shall be an affidavit containing the following information together with any additional information the Department may require.

- (1) The trade name (business name) of the wrecker service. If the business name is registered with the Oklahoma Secretary of State, such registered name shall be used. A copy of the Certificate of Limited Liability Company, a Certificate of Authority, a Certificate of Limited Partnership or a Certificate of Incorporation from the Secretary of State must be submitted with the application.

- (4) Date of application.
- (5) Signature of the individual applicant or of each company officer, as named on the application.
- (6) For each driver, the name, date of birth and driver license number.
- (7) *If an officer of the Department of Public Safety or a law enforcement officer of any political subdivision may have an interest, financial or otherwise, in or may be employed by a wrecker or towing service, the wrecker service shall affirm that its sole purpose and only business is to perform repossessions of vehicles which are subject to lien and are being repossessed by the lien holder of record [47 O.S. § 72-956 (C)]. If a determination is made that the wrecker service performs services other than repossessions, it shall be grounds for revocation of the wrecker license.*

- (e) If, within ninety (90) days of receipt of an application, the Department is unable to verify all information as required by these rules, the application shall be denied. Such applicant may reapply any time.
- (f) It is within the Department’s discretion to disallow the licensing of a wrecker operator should it appear, by a preponderance of the evidence, that the identity of the business is substantially the same as that of one that is currently under suspension by the Department.

595:25-3-4 Trade Name

- (a) Each operator shall use a unique trade name, approved by the Department, which shall be printed and appear on the license and shall be clearly distinguishable from the trade name of any other operator. Provided, however, the Department shall approve any trade name which has been accepted and currently registered with Oklahoma’s Secretary of State.

(b) Upon written request by the operator, the Department may change the trade name of a wrecker or towing service if there is no change in ownership. The identifying number shall be retained and no license fee shall be assessed.

(c) Any change in ownership due to sale, merger, dissolution, or any other reason, except as provided in subsection (d), shall reserve the wrecker service trade name for a period of sixty (60) days, during which time the successor or owner shall apply for a wrecker license using the same trade name or another trade name. However, the successor may not operate as a licensed wrecker service until the application has been accepted and approved by the Department.

(d) When the owner of a sole-proprietorship wrecker service dies, the wrecker license shall be considered cancelled by the Department effective upon the date of the death of the owner. SUBCHAPTER 7 CLASS AA OPERATORS

[595:25-7-1](#) Equipment Requirements for All Class AA Vehicles

[595:25-7-2](#) Releasing and Holding of Vehicle by Class AA Wrecker Operators

595:25-7-1 Equipment Requirements for All Class AA Vehicles

(a) Each Class AA wrecker vehicle shall be equipped as required by OAC [595:25-5-2](#).

595:25-7-2 Release and Holding of Vehicle

(a) **Release.** The Class AA wrecker operator shall at all times have a capable person available to release impounded or stored vehicles within thirty (30) minutes. As per [47 O.S. § 72-955](#), any vehicle impounded by law enforcement shall not be released to the owner until that owner provides proof of valid insurance or an affidavit of nonuse on the roadway. In the event an insurer or a representative of the insurer who has accepted liability for the vehicle requests the release, no proof of valid insurance or affidavit of nonuse on the roadway shall be required.

(b) Exceptions to Release of Impounded or Stored Vehicles.

- (1) Officers may have a legitimate need and reason to preserve the secured status of an impounded or stored vehicle, including but not limited to:
 - (A) Failure to pay taxes due the State;
 - (B) Forfeiture proceedings under the Controlled Dangerous Substances Act [[63 O.S. § 2-506](#)]; or
 - (C) Evidentiary proceedings;
 - (D) Failure to provide proof of insurance;
 - (E) The vehicle has been used in the commission of a felony offense. [[47 O.S. § 72-955](#) (6)]
- (2) In the event an officer determines a need exists to preserve the secured status of an impounded or stored vehicle, the officer may direct the operator to place a hold thereon, which the operator shall honor, subject to the following procedures.
- (3) If the hold is because taxes due the State have not been paid, the operator shall not release the vehicle until the owner, or another person as described in OAC [595:25-5-3](#) (12), has furnished proof from the Oklahoma Tax Commission or a motor license agent to the operator that the vehicle has been duly registered and the license fee has been paid before the vehicle may be released to the owner. Inquiry regarding this law may be made to the Oklahoma Tax Commission.
- (4) If the stated reason for the hold is a forfeiture proceeding under the Uniform Controlled Dangerous Substance Act, the operator may not release the vehicle unless authorization is received either from the District Attorney's Office of the county from which the vehicle was impounded or from the impounding officer.
 - (A) If, after the expiration of seventy-two (72) hours from the time of impoundment (excluding Saturday, Sunday and legal holidays), the operator has not received either the court case number under which a forfeiture proceeding has been accepted and filed or a release of the hold from the impounding officer, the operator shall contact the law enforcement agency storing the vehicle, between 7:00 a.m. and 12:00 noon following such seventy-two (72) hours period, advising the ranking supervisor on duty or dispatcher of the following information:
 - (i) That the vehicle is being held for the filing of forfeiture proceedings;
 - (ii) That no court case number of forfeiture proceedings has been received;
 - (iii) Description of vehicle, including tag and vehicle identification number;

- (iv) Vehicle owner, if known;
- (v) Date and time of impoundment;
- (vi) County from which the vehicle was impounded;
- (vii) Name of impounding officer;
- (viii) Name and telephone number of operator submitting the above information.

(B) The supervisor may direct the impounding officer to verify the decision of the District Attorney and to notify the operator:

- (i) Of the forfeiture proceedings style and case number; or
- (ii) That the hold is cancelled because the District Attorney has declined forfeiture proceedings and therefore, the vehicle may then be released in accordance with (a) and (b) of this Section.

(C) Any vehicle seized or stored for forfeiture proceedings under the Uniform Controlled Dangerous Substance Act is considered to be in the custody of the District Attorney of the county where the property was seized [[63 O.S. § 2-506](#) (K)] and therefore the operator may contact that office regarding any matter relating to such vehicle, in addition to the foregoing procedure.

(5) If the hold is for evidentiary proceedings or for any stated reason other than taxes or forfeiture described above, or if the officer fails to state a reason, then the hold shall expire forty-eight (48) hours from the time of impoundment (if not released earlier by the officer), and the operator shall not honor the hold beyond the forty-eight (48) hour period without express direction of the law enforcement agency storing said vehicle. The vehicle may then be released in accordance with the provisions of this Chapter.

(c) Court Orders Regarding Impounded or Stored Vehicles. If any rule provided, herein conflicts with a court order served upon the operator relating to impoundments, release, storage or other matter relating to the wrecker service, the court order shall take precedence.

(d) Release to Another Wrecker Service. When a wrecker service is to lawfully obtain a vehicle from another wrecker service which originally towed the vehicle, the original wrecker service shall:

- (1) Allow the other wrecker service to enter its premises and remove the vehicle, or
- (2) If the original wrecker service does not allow the other wrecker services or registered owner or agent on its premises to make the tow, the original wrecker service shall properly tow the vehicle to a mutually agreeable site in order to transfer the vehicle to the requesting wrecker service.

[595:25-9-1](#) Oklahoma Highway Patrol Rotation Log

[595:25-9-2](#) Operator Requirements

[595:25-9-3](#) Rotation Calls for Truck Wreckers (Class AA-TL)

595:25-9-1 Oklahoma Highway Patrol Rotation Log

(a) Official Rotation Log. The Department of Public Safety maintains two (2) official Oklahoma Highway Patrol Rotation Logs, a Class AA wrecker log and a Class AA-TL wrecker log, each of which shall consist of licensed wrecker services *for the performance of services carried out pursuant to the request of or at the direction of any officer of the Department* [[47 O.S. § 72-952](#) (D)].

(b) Request for Placement on the Rotation Log. A licensed Class AA wrecker service desiring to be placed on the Highway Patrol Rotation Log in the Highway Patrol Troop District in which the place of business and the primary storage facility of the wrecker service is located shall file a written request with the Department, pursuant to (e) of this Section. [[47 O.S. § 72-952](#) (D)]

(c) Assignment to the Rotation Log. If a request for placement on the Rotation Log is approved by the Department, the wrecker service shall be assigned by the Department to the Highway Patrol Troop District specified on the request. Both the Troop Commander of the Troop District and the wrecker service will be notified by the Department of the assignment of the wrecker service to the Rotation Log. [[47 O.S. § 72-952](#) (D)]

(d) Oklahoma Turnpike Authority rotation log will be determined, for placement on rotation, by using any operator business location within 10 road miles of a gate entry. Must be capable to respond promptly to the scene, open at least one lane promptly, clear and clean the incident sight within the shortest time possible. Calls will be assigned to the wrecker nearest in time or distance to the incident scene for quick clearance.

(e) Geographical Areas of Rotation. [[47 O.S. § 72-955](#) (C)]

- (1) The Commissioner's designee of the Wrecker Services Division shall be responsible for establishing geographical areas of rotation within the Troop District to which wrecker services on the District's Rotation Log will be assigned for operation when responding to calls for service from the Rotation Log. The Commissioner's designee shall notify each wrecker service of the geographical area of rotation to which it is assigned.
- (2) The Commissioner's designee will establish each geographical area of rotation based upon a reasonable radius from the primary storage facility of each wrecker service operating within the geographical area. The reasonable radius will be determined by the Commissioner's designee based upon:
 - (A) The estimated time it will take the wrecker service to respond to calls for service,
 - (B) The number of wrecker services available on the Rotation Log,
 - (C) Conformity with [47 O.S. § 72-955](#) (C),
 - (D) Consideration of the economic impact of the wrecker services rates and fees, as prescribed by the Corporation Commission, on the owner or lien holder of the vehicle; and
 - (E) Other factors within the Troop District as deemed appropriate by the Commissioner's designee.
- (3) The Commissioner's designee may overlap geographical areas of rotation whenever necessary to ensure adequate response to requests for wrecker services.
- (4) The Commissioner's designee may modify geographical areas of rotation for the Troop District at any time and for just cause, but shall notify as soon as practicable each wrecker service affected of such modifications.

- (5) The Commissioner's designee may extend any geographical area of rotation by a reasonable radius beyond the boundaries of the Troop District to include on the rotation log of the District a wrecker service:
 - (A) Which is located outside of but in proximity to the boundary of the District, and
 - (B) Upon receiving notification from the Department of the approval of the wrecker service for placement on the rotation log for the District of the Commander.
- (6) Nothing in this Section shall prohibit the Troop Commander from using the services of any licensed wrecker service:
 - (A) Outside of its assigned geographical area of rotation, or
 - (B) Which has not been assigned to the Rotation Log of the Troop District.

(f) Forms. A request for placement on any rotation log shall be filed by the wrecker service with the Department of Public Safety on a form prescribed and provided by the Department [[47 O.S. § 72-952 \(D\)](#)]. When requesting placement on a rotation log, the wrecker service shall provide on the request one (1) telephone number to be used for request of services during the day and one (1) telephone number to be used for request of services during the night, specifying the time period of normal use; these numbers shall also be on file with the Wrecker Services Division. Any change in the telephone numbers shall be immediately transmitted to:

- (1) The Troop Commander(s) of the Oklahoma Highway Patrol Troop District(s) on whose Rotation Log the wrecker service has been assigned, and
- (2) The Wrecker Services Division of the Department of Public Safety.

(g) Request for Removal from the Rotation Log. A licensed Class AA wrecker service desiring to be removed, whether temporarily or permanently, from the Highway Patrol Rotation Log on which it was placed, pursuant to this section, shall file a written request with the Department. The wrecker service shall not contact the Troop Commander(s) of the Troop District(s) for removal from the Rotation Log.

595:25-9-2 Operator Requirements

Operators on the Rotation Log shall comply with the following:

- (1) When more than one (1) vehicle is towed on one (1) call, each tow shall be counted as another call to that operator.
- (2) When an operator receives a request for services from the Oklahoma Highway Patrol and no services are rendered for which the operator is able to receive compensation, the operator shall not lose position on the Rotation Log.
- (3) If an operator has received a request for services, but does not respond to the scene within a reasonable length of time, including but not limited to such factors as distance from the scene, weather, and nature of the collision or traffic tie-up, the Oklahoma Highway patrol may request the services of the next operator on the Rotation Log. Under these circumstances, the operator who receives the first request shall lose position on the Rotation Log.
- (4) When an emergency condition exists, the Oklahoma Highway Patrol reserves the right to request the services of any appropriately equipped and licensed wrecker service best able to handle the emergency and can reach the scene in the shortest time, regardless of the operator's position on the Rotation Log. Said call shall count as a call on the Rotation Log.
- (5) Only one (1) wrecker service shall be approved for Highway Patrol rotation at any one place of business and/or storage facility, unless otherwise approved by the Commissioner.
- (6) Wrecker services shall respond to Highway Patrol requests only in a wrecker vehicle licensed to the requested wrecker service, unless otherwise approved by the Commissioner.

- (7) Every wrecker service on the Highway Patrol Rotation Log shall maintain twenty-four (24) hour service.
- (8) A wrecker service called from the Highway Patrol Rotation Log shall not accept a request for services unless the operator has a vehicle immediately available to perform the requested service.
- (9) Each operator shall require each driver responding to a request to maintain the appropriate driver license for the type vehicle being operated.
- (10) Each operator shall require each driver to obey in good faith the rules of the road.
- (11) Each operator shall prohibit any known thief or felon from loitering, visiting, or otherwise being on the premises of the place of business or any storage facility of the wrecker service.
- (12) Every operator shall accept each Oklahoma Highway Patrol call unless there exists a valid reason for refusal. Upon acceptance of a call an operator shall advise dispatch of their current location and estimated time of arrival.
- (13) Each operator shall provide service for a minimum of seventy-five (75%) percent of the requests made by the Highway Patrol to be computed on a quarterly basis. Failure to meet this standard for any reason shall be grounds for removal from the Oklahoma Highway Patrol Rotation Log.
- (14) Any Class AA wrecker operator who uses an answering service as a means of dispatch and who fails to properly respond in a timely manner, as determined by the Commissioner's designee of the Wrecker Services Division, to a rotation call request may have the Class AA license revoked for failure to properly respond to rotation call requests. The operator shall not be licensed as a Class AA wrecker service while utilizing the same answering service as a means of dispatch.
- (15) Persons responding to calls must be able to speak and understand the English language.
- (16) A wrecker operator shall respond to law enforcement agencies' wrecker service requests with a wrecker vehicle and operator capable of efficiently uprighting an overturned vehicle, pulling or winching a vehicle back onto the roadway, lifting a vehicle off a victim, or assisting with opening a vehicle to extricate a victim. In addition, the wrecker vehicle shall be equipped to remove a disabled vehicle without inflicting further damage to the disabled vehicle.
- (17) If two or more vehicles are involved in a collision and two or more wrecker services are called the following shall apply:
 - (A) The first wrecker service arriving at the scene will tow the vehicle causing the greatest traffic hazard, which shall be determined by the investigating officer.
 - (B) If a requested wrecker service is first on scene, said wrecker service will assist in removing the vehicle causing the traffic hazard from roadway, then will proceed to pick up the vehicle it has been requested to tow.
- (18) Any wrecker service having a wrecker vehicle with major or critical mechanical failure or failing to meet equipment requirements, which does not have another wrecker vehicle of the same classification approved for rotation, shall become temporarily unavailable for rotation until the wrecker vehicle has been approved to return to service or a new wrecker vehicle of the same classification has been inspected, if necessary, and approved by the Department.
- (19) A wrecker service shall become temporarily unavailable for rotation if there is no approved Certificate of Insurance (WA) filing on file with the Department for the wrecker service or wrecker vehicles approved for rotation.
- (20) Any wrecker service with a wrecker vehicle displaying an expired tag, which does not have another wrecker vehicle of the same classification approved for rotation, shall become temporarily unavailable

for rotation until the wrecker license plate has been renewed and is properly displayed on the wrecker vehicle.

595:25-9-3 Rotation Calls for Truck Wreckers (Class AA-TL)

Rules governing the rotation calls for Class AA-TL truck wrecker operators shall be the same as the rules governing the rotation calls for all other Class AA wrecker operators, except that in the case of truck wreckers the involved Trooper and/or the dispatcher shall have and be free to exercise his or her discretion as provided for in this section. If, in the judgment of any involved trooper and/or dispatcher, a Class AA-TL truck wrecker operator within a service area is needed because of an emergency situation, such wrecker service may be called without regard to position on the truck wrecker log except in relation to other operators also meeting the additional Class AA qualities in the service area.

S. § 8-309](#), et seq.

- (1) The Department shall send by first-class mail Notice of Department Action containing all information required by [75 O. S. § 8-309](#), et seq., to the concerned applicant or operator at the last known address as reflected by the records of the Department. The Department shall follow up the mailed Notice with a documented telephone call to the telephone number on file with the Department for the wrecker service to ensure the wrecker service has received and understands the Notice.

TITLE 47 MOTOR VEHICLES
CHAPTER 71 ABANDONMENT OF VEHICLES

47 O.S. § 71-901 Abandonment Unlawful – Determination

It shall be unlawful to abandon a motor vehicle on a highway or other public property. Any member of the Oklahoma Highway Patrol or any qualified sheriff, deputy sheriff or any member of any city police department shall deem a vehicle abandoned and shall have the authority to remove or direct the removal of a vehicle when found upon any portion of the highway, shoulder, or right-of-way, if after a period of forty-eight (48) hours there is no evidence of an apparent owner who intends to remove the vehicle.

47 O.S. § 71-902 Authorization to Remove Abandoned Vehicle

If such officer has reasonable cause to believe a vehicle has been abandoned in a location which would be hazardous to the free flow of traffic or be highly susceptible to damage from vandalism or other harm, he shall have the authority to remove or direct the removal of the vehicle immediately. At the time of ordering the removal of an abandoned vehicle, the authorizing officer shall also determine the sale value of the vehicle and certify that amount on the removal order.

47 O.S. § 71-903 Notice of Removal – Civil Liability

Any such officer, who has directed the impoundment of any vehicle, or an authorized person in the employing agency of the officer, shall within seventy-two (72) hours of the impoundment notify the Department of Public Safety of such impoundment. The notice of impoundment shall contain the name and address of the owner, if known, the make, model, vehicle identification number, registration number, date stored, place stored and the estimated value of the vehicle as determined by the officer. Upon receipt of such notice of impoundment, the Department of Public Safety shall, within seventy-two (72) hours, request the Oklahoma Tax Commission or other appropriate motor license agent to furnish the name and address of the owner of and any lienholder on the vehicle and shall within three (3) days from receipt of the requested information send a notice to the owner and any lienholder by regular mail, postage prepaid, at the addresses furnished by the Tax Commission or motor license agent, of the location of the vehicle. This section shall not be construed to create any civil liability upon the state, any agency of the state or employee thereof for failure to provide such notice to the owner or lienholder.

47 O.S. § 71-903A Contest of Removal or Storage – Hearing – Exemptions

- A. After the removal or storage of any abandoned or wrecked vehicle at the request of a public agency, the registered or legal owner of the vehicle, or their agent, may contest the validity of the removal or storage, by filing a written request for a hearing with the public agency. The written request may be filed before or after the vehicle is retrieved from the storage operator. Provided, however, the public agency shall not be required to conduct a hearing if the request is received more than ten (10) days following actual or constructive notice to the owner or driver of the vehicle that said vehicle has been so removed or stored. Any such hearing shall be scheduled within seventy-two (72) hours of the request, excluding weekends and holidays. The public agency may authorize its own officer or employee to conduct the hearing, so long as the hearing officer is not the same person who directed the removal or storage of the vehicle. The public agency may, with the consent of the person requesting the hearing, schedule the hearing by telephone and conduct the hearing on the merits by telephone conference call. The hearing officer shall apply the law to the evidence and make a determination whether the vehicle removal and storage was justified. If deemed unjustified, the public agency shall bear the cost of hookup and tow

mileage, and the operator shall waive all storage costs in such cases as a condition of eligibility to respond to a service call request from a public agency. The vehicle owner or agent shall not be charged any type of fee or costs relating to impoundment or storage in such case. If the tow and storage is deemed justified, the owner or agent shall bear the cost of reasonable tow and storage. In either case, prior to the release of the vehicle to the owner or agent, proof of security or an affidavit that the vehicle will not be used on public highways or public streets, as required pursuant to [47 O.S. § 7-600](#) et seq., shall be furnished to the public agency.

- B. Failure of either the registered or legal owner, or their agent, to timely request or to timely appear upon a scheduled hearing shall satisfy the hearing requirement of this section.
- C. The hearing conducted by the public agency pursuant to this section shall not be governed by the Administrative Procedures Act, [75 O.S. § 8-301](#) et. seq.. The owner of a stored vehicle may, either in lieu of such hearing or after such hearing, file a petition in the district court of the county wherein the vehicle is stored. The district court is vested with original jurisdiction to conduct a de novo hearing and determine the validity of removal and storage.
- D. The provisions of this section shall not apply to the removal of vehicles abated pursuant to [47 O.S. § 72-954A](#).

[47 O.S. § 71-904](#) Payment of Cost of Removal and Storage

The owner of a motor vehicle or lienholder of the vehicle abandoned in violation of [47 O.S. § 71-901](#) et seq., or the owner of any vehicle or lienholder of the vehicle or insurer accepting liability for paying a claim on a vehicle or purchasing the vehicle as a total loss vehicle from the registered owner which shall have been lawfully removed from any highway or other public property may regain possession of the vehicle in accordance with regulations of the Department of Public Safety upon payment of the reasonable cost of removal and storage of such vehicle. ¹ [75 O.S. § 8-250](#) et seq.

47 O.S. § 72-953.1 Maximum Fees and Charges

- A. The rates established by the Corporation Commission shall determine the nonconsensual tow maximum fees and charges for wrecker or towing services performed in this state, including incorporated and unincorporated areas, by a wrecker or towing service licensed by the Department of Public Safety when that service appears on the rotation log of the Department or on the rotation log of any municipality, county or other political subdivision of this state, and the services performed are at the request or at the direction of any officer of the Department or of a municipality, county, or political subdivision. No wrecker or towing service in the performance of transporting or storing vehicles or other property towed as a result of a nonconsensual tow shall charge any fee which exceeds the maximum rates established by the Commission. Such rates shall be in addition to any other rates, fees or charges authorized, allowed or required by law and costs to collect such fees. Any wrecker or towing service is authorized to collect from the owner, lienholder, agent or insurer accepting liability for paying the claim for a vehicle or purchasing the vehicle as a total loss vehicle from the registered owner of any towed or stored vehicle, the fee required [47 O.S. § 71-904](#) including environmental remediation fees and services.
- B. When wrecker or towing services are performed as provided in subsection A of this section:
 - 1. Each performance of a wrecker or towing service shall be recorded by the operator on a bill or invoice as prescribed by rules of the Department and by order of the Commission;
 - 2. Nothing herein shall limit the right of an operator who has provided or caused to be provided wrecker or towing services to require prepayment, in part or in full, or guarantee of payment of any charges incurred for providing such services;
 - 3. This section shall not be construed to require an operator to charge a fee for the performance of any wrecker or towing service; and
 - 4. The operator is authorized to collect all lawful fees from the owner, lienholder or agent or insurer accepting liability for paying the claim for a vehicle or purchasing the vehicle as a total loss vehicle from the registered owner of the towed vehicle for the performance of any and all such services and costs to collect such fees. An operator shall release the vehicle from storage upon authorization from the owner, agent or lienholder of the vehicle or, in the case of a total loss, the insurer accepting liability for paying the claim for the vehicle or purchasing the vehicle where the vehicle is to be moved to an insurance pool yard for sale.

Fees for which the operator is being reimbursed or having paid to a third party, shall include copies of the invoice or other appropriate documents to substantiate such payment to said third party.
- I. Wrecker fees, including maximum distance, hourly, and hookup rates shall be adjusted weekly by adding a fuel surcharge as provided in this section. The wrecker fees shall be adjusted to allow a one-percent increase in fees for every ten-cent increase in fuel cost starting at Two Dollars and ten cents (\$2.10) per gallon.
- J. When skilled or specialized labor or equipment is required, the cost incurred by the wrecker operator for such skilled or specialized labor or equipment plus an additional twenty-five percent (25%) gross profit markup or gross profit margin shall be allowed to cover overhead costs for such labor and will be added to the invoice or freight bill to be collected in addition to all other applicable charges. This applies to labor and equipment not regulated by the Commission.
- K. Wrecker operators shall be allowed to obtain ownership and insurer information, including accident reports and other public records, from the Oklahoma Tax Commission or other state’s motor vehicle agencies for the purpose of determining ownership and responsibility for wrecker fees. In the event a state of origin is not known, the Department of Public Safety and the Oklahoma Tax Commission shall assist in providing such information. The wrecker operator is authorized to collect lawful fees for such costs and services from the owner, lienholder that seeks possession of a vehicle under a security interest, agent, or insurer accepting liability for paying the claim for a vehicle or purchasing the vehicle as a total loss vehicle from the owner of any towed or stored vehicle.

47 O.S. § 72-953.2 Fees and Charges for Storage and After-Hours Release of Towed Vehicles

No wrecker or towing service shall charge any fee for nonconsensual towed vehicles and storage which exceeds the maximum rates established by the Commission. Such rates shall be in addition to any other rates, fees or charges authorized, allowed or required by law including environmental remediation fees and services.
- B.
 - 1. Storage or after-hours release of a towed vehicle, or both, provided by a wrecker or towing service shall be recorded by the operator on a bill or invoice as prescribed by rules of the Department.

 - 3. This section shall not be construed to require an operator to charge a fee for the storage or afterhours release, or both, of any towed vehicle.
 - 4. The operator is authorized to collect all lawful fees from the owner, lienholder or agent of the towed vehicle or insurer accepting liability for paying the claim for a vehicle or purchasing the

vehicle as a total loss vehicle from the registered owner for the performance of any and all such services. An operator shall release the vehicle from storage upon authorization from the owner, agent or lienholder of the vehicle or in the case of a total loss, the insurer accepting liability for paying the claim for the vehicle or purchasing the vehicle where the vehicle is to be moved to an insurance pool yard for sale.

Rates in this section have been superceded by the December 6, 2012 Order of the Oklahoma Corporation Commission located at:

<http://www.occeweb.com/TR/NonconsensualTowing/NonconsensualTowingRateChart.pdf>

- G. An operator shall be required to provide reasonable documentation to substantiate all lawful fees charged the owner, lienholder, agent or insurer accepting liability for paying the claim for the towed vehicle or purchasing the towed vehicle. Fees for which the operator is being reimbursed, or having paid to a third party, shall include copies of the invoice or other appropriate documents to substantiate the payment to the third party.

- B.
1. The owner, legal possessor or authorized agent may request any licensed Class AA wrecker or towing service within the county wherein the real property is located to remove the abandoned vehicle from the premises by signing a Tow Request and Authorization Form prescribed by the Department of Public Safety and furnished to licensed Class AA wrecker operators as hereinafter provided.
 2. If the owner, legal possessor or authorized agent of the property owner is unable to obtain the services of a licensed Class AA wrecker service to remove the abandoned vehicle in a reasonable amount of time, the owner, legal possessor or authorized agent may contact and request that a

licensed Class AA wrecker service from an adjacent county perform the service. A notation shall be made on the Tow Request and Authorization Form that a licensed Class AA wrecker service in the county in which the real property is located was contacted but the licensed Class AA wrecker service was not able to perform the removal in a reasonable amount of time.

- E. The real property owner, legal possessor or authorized agent and the wrecker vehicle driver shall jointly, and each in the presence of the other, inventory personal property found within or upon the vehicle and each shall accordingly sign a statement on the form reflecting this requirement has been fulfilled. In the event an inventory cannot be completed, the reasons therefor shall be clearly stated on the form.
- F. A copy of the completed Tow Request and Authorization Form shall be retained by the signatories and the licensed Class AA wrecker service shall maintain the wrecker vehicle driver's copy for not less than one (1) year, or longer if required by the Department or the Commission. The licensed Class AA wrecker service shall forthwith send the completed original Tow Request and Authorization Form to the Department and the remaining copy of the completed form to the local police department of the municipality in which the real property is located, or the sheriff's office of the county from which the vehicle was towed, if the real property is located outside of an incorporated municipality. H. No licensed Class AA wrecker service or operator of a licensed Class AA wrecker service shall tow or cause to be towed a vehicle pursuant to this section until the form furnished by the Department has been appropriately completed by the parties as required by rules of the Department.

47 O.S. § 72-955 Towing of Vehicle from Roadway – Grounds

Any officer of the Department of Public Safety or any other political subdivision of this state is hereby authorized to cause to be towed any vehicle found upon public roads, highways, streets, turnpikes, private parking lots accessible to the public, other public places or upon any private road, street, alley or lane which provides access to one or more single-family or multifamily dwellings when:

 6. The officer has probable cause that the vehicle has been used in the commission of a felony offense and the officer has obtained a search warrant authorizing the search and seizure of the vehicle;
 7. The officer has probable cause that the vehicle is not insured as required by the Compulsory Insurance Law of this state; or
 8. The vehicle is involved in a fatal motor vehicle collision and is needed for evidentiary purposes. No vehicle shall be released after impoundment unless the owner provides to the storing facility proof of valid insurance or an affidavit of nonuse on the roadway, or in the event of a release request from an insurer or the representative of the insurer who has accepted liability for the vehicle, no such proof of insurance or affidavit of nonuse on the roadway shall be required.
- B. A licensed wrecker operator is not liable for damage to a vehicle, vessel, or cargo that obstructs the normal movement of traffic or creates a hazard to traffic and is removed in compliance with the request of a law enforcement officer, unless there is failure to exercise reasonable care in the performance of the act or for conduct that is willful or malicious.
- C. Each officer of the Department shall use the services of the licensed wrecker operator whose location is nearest to the vehicle to be towed in all instances in subsection A of this section. The requests for services may be alternated or rotated among all licensed wrecker operators who are located within a reasonable radius of each other. In like manner, the officer shall advise any person requesting information as to the availability of a wrecker or towing service, the name of the nearest licensed wrecker operator, giving equal consideration to all licensed wrecker operators located within a

In counties bordering other states, if the officer deems safety and time considerations warrant, the officer may call a wrecker or towing service that is not on the rotation log.

- D. Any officer of the Department who has been requested by a person in need of wrecker or towing service to call a specific wrecker or towing service for such person, and who calls a different wrecker or towing service other than the one requested, without the consent of the person, except where hazardous conditions exist, shall be suspended from the Department, without compensation, for a period of thirty (30) days, except in instances where a vehicle is removed from the roadway under the authority of paragraphs 3, 4 and 6 of subsection A of this section.
- E. Operators conducting a tow under this section shall release all personal property within the vehicle to an insurer or representative of the insurer who has accepted liability for the vehicle, or to any person upon proof of ownership of the vehicle and an Oklahoma driver license or other state or federally issued photo identification. Upon release of personal property to an insurer or representative of the insurer, wrecker operators shall be exempt from all liability and shall be held harmless for any losses or claims of loss. Personal property shall include everything in a vehicle except the vehicle, the attached or installed equipment, vehicle keys or devices to start and unlock the vehicle, and the spare tire and tools to change the tire. Interlock devices may be removed pursuant to [47 O.S. § 11-902A](#). If release of personal property occurs during normal business hours as prescribed by the Corporation Commission, it shall be at no cost to the registered owner or the owner prior to the repossession. This section applies to every vehicle, all-terrain vehicle, utility vehicle, manufactured home, motorcycle, boat, outboard motor, or trailer that has a certificate of title issued by the Oklahoma Tax Commission or by a federally recognized Indian tribe in the State of Oklahoma, except as otherwise provided in subsection D of this section. This section does not apply to farm equipment as defined in [42 O.S. § 2-91.2](#). The items of personal property to which this section applies are collectively referred to as "Section 91 Personal Property". If personal property is apparently covered both by this section and by [42 O.S. § 6-191](#) through [42 O.S. § 6-200](#) the procedures set out in this section shall apply instead of [42 O.S. § 6-191](#) through [42 O.S. § 6-200](#).
 - b. 3. This special lien shall be subordinate to any perfected security interest unless the claimant complies with the requirements of this section. Failure to comply with any requirements of this section shall result in denial of any title application and cause the special lien to be subordinate to any perfected lien. Upon such denial, the applicant shall be entitled to one resubmission of the title application within fifteen (15) business days of receipt of the denial, and proceed to comply with the requirements of this section. "Failure to comply" includes, but is not limited to:

A statement by the claimant that the materials, labor or skill furnished, or arrangement for storage or rental of space, was authorized by the owner of the personal property and was in fact provided or performed, and written proof of authority to perform the work, labor or service, or that the property was abandoned by the owner if the claimant did not render any other service, and that storage or rental fees will accrue as allowed by law, and
 - g. The signature of the claimant which shall be notarized and, if applicable, the signature of the claimant's attorney. If the claimant is a business, then the name of the contact person representing the business must be shown. Provided, however, in the case of contractual charges incurred for storage or rental of space in an overall transaction primarily for the purpose of storage or rental, charges subject to the special lien may only be assessed beginning with a date not more than sixty (60) days prior to the day that the Notice of Possessory Lien is mailed, and shall accrue only at the regular periodic rate for storage or rental as provided in the contract, adjusted for partial periods of storage or rental. The maximum allowable compensation for storage shall not exceed the fees established by the Corporation Commission for nonconsensual tows.
6. The lien may be foreclosed by a sale of such personal property upon the notice and in the manner following: The notice of sale shall be in writing and shall contain, but not be limited to:

 - e. The date, time and exact physical location of sale,
 - f. The name, complete physical address, mailing address and telephone number of the party foreclosing such lien. If the claimant is a business, then the name of the contact person representing the business must be shown. In place of an original signature and notary seal, a digital or electronic signature or seal shall be accepted, and
 - g. Itemized charges which shall equal the total compensation claimed.
7. Such notice of sale shall be posted in two public places in the county where the property is to be sold at least ten (10) days before the time therein specified for such sale, and a copy of the notice shall be mailed to all interested parties at their last-known post office address, by regular, first class United States mail and by certified mail, return receipt requested, at least ten (10) days before the date of the sale.  9. Any interested party shall be permitted to inspect and verify the services rendered by the claimant prior to the sale of the article of personal property during normal business hours. The lienholder shall be allowed to retrieve the Section 91 Personal Property without being required to bring the title into the lienholder's name, if the lienholder provides proof it is a lienholder and any payment due the claimant for lawful charges where the claimant has complied with the requirements of this section. Upon the release of personal property to an insurer or representative of the insurer, wrecker operators shall be exempt from all liability and shall be held harmless for any losses or claims of loss.
 10. The claimant or any other person may in good faith become a purchaser of the property sold.
 11. Proceedings for foreclosure under this act shall be commenced no sooner than ten (10) days and no later than thirty (30) days after the Notice of Possessory Lien has been mailed as evidenced by certified mail. The date actually sold shall be within sixty (60) days from the date of the Notice of Sale as evidenced by certified mail.

2.

- a. Any person who renders service to the owner of an article of personal property by furnishing storage, rental space, material, labor, or skill for the protection, improvement, safekeeping, towing, right to occupy space, storage, or carriage thereof shall have a special lien on such property pursuant to this section if such property is removed from the person's possession, without such person's written consent or without payment for such service.

3. The enforcement of the lien shall be within sixty (60) days after filing the lien in the manner provided by law for enforcing the lien of a security agreement and provided that the lien shall not affect the rights of innocent, intervening purchasers without notice.

- C. If the person who renders service to the owner of an article of personal property to which this section applies relinquishes or loses possession of the article due to circumstances described in [42 O.S. § 2-91](#) (B-1-a) or [42 O.S. § 2-91](#) (B-2-a), the person claiming the lien shall be entitled to possession of the article until the amount due is paid, unless the article is possessed by a person who became a bona fide purchaser.  3. The claimant shall not transfer to a third party or to a person who performs repossession services, a check, money order, or credit card transaction that is received as payment for services with respect to an article and that is returned to the claimant because of insufficient funds or no funds, because the person writing the check, issuing the money order, or credit cardholder has no account or because the check, money order, or credit card account has been closed. A person violating this paragraph shall be guilty of a misdemeanor; and
 4. An article that is repossessed pursuant to this subsection shall be promptly delivered to the location where the services were performed. The article shall remain at the services location at all times until the article is lawfully returned to the record owner or a lienholder or is disposed of pursuant to this section.

2.

- a. Any person who, while lawfully in possession of an article of personal property to which this section applies, renders any service to the owner thereof by furnishing storage, rental space, material, labor or skill for the protection, improvement, safekeeping, towing, right to occupy space, storage or carriage thereof, has a special lien thereon, dependent on possession, for the compensation, if any, which is due to such person from the owner for such service. Charges owed under a contract primarily for the purpose of storage or rental of space shall be accrued only at the regular periodic rate for storage or rental as provided in the contract, adjusted for partial periods of storage or rental.
- b. Except for Class AA licensed wrecker towing charges, the special lien shall be subordinate to any perfected security interest unless the claimant complies with the requirements of this section. Failure to comply with any requirements of this section shall result in denial of any title application and cause the special lien to be subordinate to any perfected lien. Upon such denial, the applicant shall be entitled to one resubmission of the title application within thirty (30) business days of receipt of the denial, and proceed to comply with the requirements of this section. "Failure to comply" includes, but is not limited to:

If the lien claimant is unable to meet the time requirements due to a lack of or an altered vehicle identification number on the property, the lien claimant shall proceed diligently to obtain the proper vehicle identification number and shall meet the time requirements on the notice once the vehicle identification number is known. If the lien claimant is required to send additional notices because of change of ownership or lienholder after it has timely complied with the requirements of this subparagraph, the lien claimant shall remain in compliance if such additional notices are sent within the required time periods from the date of discovery of the new owners or lienholders. - (7) an itemized statement describing the date or dates the labor or services were performed and material furnished and the charges claimed for each item, the totals of which shall equal the total compensation claimed.

The lien claimant shall not be required to send the notice required in this subparagraph if the property is released to an interested party before the notice is mailed and no additional charges or fees continue to accrue. If a law enforcement agency has the property towed to a law enforcement facility, the person claiming a lien under this section shall not be required to send notice until the property is released by law enforcement to the claimant or the date which claimant starts charging storage, whichever is earlier. If the item of personal property is a manufactured home, notice shall also be sent by certified mail to the county treasurer and to the county assessor of the county where the manufactured home is located.
 - b. In the case of any item of personal property without a certificate of title and not required to be titled under Oklahoma law, a party who claims any interest in the property shall include all owners of the property; any secured party who has an active financing statement on file with the county clerk of Oklahoma County listing one or more owners of the property by legal name as debtors and indicating a collateral description that would include the property; and any other person having any interest in the personal property, of whom the claimant has actual notice.
 - c. In the case of personal property subject to this section for which a certificate of title has been issued by any jurisdiction, a party who claims any interest in the property shall include all owners of the article of personal property as indicated by the certificate of title; lien debtors, if any, other than the owners; any lienholder whose lien is noted on the face of the certificate of title; and any other person having any interest in the article of personal property, of whom the claimant has actual notice.
 - d. When the jurisdiction of titling for a vehicle, all-terrain vehicle, motorcycle, boat, outboard motor, or trailer that is five (5) model years old or newer, or a manufactured home that is fifteen (15) model years old or newer, cannot be determined by ordinary means, the claimant, the agent of the claimant, or the attorney of the claimant, shall request, in writing, that the Oklahoma Tax Commission Motor Vehicle Division ascertain the jurisdiction where the vehicle or manufactured home is titled. The Oklahoma Tax Commission Motor Vehicle Division shall, within fourteen (14) days from the date the request is received, provide information as to the jurisdiction where the personal property is

titled. If the Oklahoma Tax Commission Motor Vehicle Division is unable to provide the information, it shall provide notice that the record is not available.

- e. When personal property is of a type that Oklahoma law requires to be titled, the owner of record of that property is unknown, and the jurisdiction of titling and owner of record cannot be determined by ordinary means and also, if applicable, cannot be determined in accordance with the preceding subparagraph, then the special lien may be foreclosed by publication of a legal notice in a legal newspaper in the county where the personal property is located, as defined in [Section 106 of Title 25](#) of the Oklahoma Statutes. Such notice shall include the description of the property by year, make, vehicle identification number if available from the property, the name of the individual who may be contacted for information, and the telephone number of that person or the address where the vehicle is located. The legal notice shall be published once per week for three (3) consecutive weeks. As soon as circumstances exist as described in the first sentence of this subparagraph, the first date of publication may occur even if the special lien has not accrued for over thirty (30) days. The first date available for public sale of the vehicle is the day following publication of the final notice, but no fewer than thirty (30) days after the lien has accrued. When the owner of record is unknown, the Notice of Sale nevertheless must be completed and mailed to any known interested party by certified mail. For purposes of this paragraph, interested parties shall include all persons described in subparagraph b or subparagraph c of this paragraph, whichever is applicable, with the exception of any owner who is unknown. Except in circumstances described in paragraph 7 of this subsection that provide for a shorter time period, the Notice of Sale shall be posted in two public places in the county where the property is to be sold at least ten (10) days before the time therein specified for such sale, and the Notice of Sale shall not be mailed until at least thirty (30) days after the lien has accrued.
5. The lienor or any other person may in good faith become a purchaser of the property sold.
6. Proceedings for foreclosure under this act shall not be commenced until thirty (30) days after the lien has accrued, except as provided elsewhere in Oklahoma law.
7. Notwithstanding any other provision of law, proceedings for foreclosures for the storage of junk vehicles towed and stored pursuant to [Section 955 of Title 47](#) of the Oklahoma Statutes by Class AA wreckers listed with the Motor Vehicle Division of the Department of Public Safety, may be commenced five (5) days after the lien has accrued. For purposes of this paragraph, "junk vehicles" means any vehicle that is more than ten (10) years old if the cost of a comparable vehicle would be less than Three Hundred Dollars (\$300.00) as quoted in the latest edition of the National Automobile Dealers Association Official Used Car Guide or latest monthly edition of any other nationally recognized published guidebook, adjusting to the condition of the vehicle.

 - a. Any person who is induced by means of a check or other form of written order for immediate payment of money to deliver up possession of an article of personal property on which the person has a special lien created by subsection A of this section, which check or other written order is dishonored, or is not paid when presented, shall have a lien for the amount thereof upon the personal property.

- b. The person claiming such lien shall, within thirty (30) days from the date of dishonor of the check or other written order for payment of money, file in the office of the county clerk of the county in which the property is situated a sworn statement that:
 - (1) the check or other written order for immediate payment of money, copy thereof being attached, was received for labor, material or supplies for producing or repairing an article of personal property, or for other specific property-related services covered by this section,
 - (2) the check or other written order was not paid, and

- a. Any person who renders service to the owner of an article of personal property by furnishing storage, rental space, material, labor, or skill for the protection, improvement, safekeeping, towing, right to occupy space, storage, or carriage thereof shall have a special lien on such property pursuant to this section if such property is removed from the person's possession, without such person's written consent or without payment for such service.
 - b. The person claiming such lien shall, within five (5) days of such non-authorized removal, file in the office of the county clerk of the county in which the property is located, a sworn statement including:
 - (1) that services were rendered on or in relation to the article of personal property by the person claiming such lien,
 - (2) that the property was in the possession of the person claiming the lien but such property was removed without his or her written consent,
 - (3) an identifying description of the article of personal property on or in relation to which the service was rendered, and
 - (4) that the debt for the services rendered on or in relation to the article of personal property was not paid. Provided, if the unpaid total amount of the debt for services rendered on or in relation to the article of personal property is unknown, an approximated amount of the debt due and owing shall be included in the sworn statement but such approximated debt may be amended within thirty (30) days of such filing to reflect the actual amount of the debt due and owing.
3. The enforcement of the lien shall be within sixty (60) days after filing the lien in the manner provided by law for enforcing the lien of a security agreement and provided that the lien shall not affect the rights of innocent, intervening purchasers without notice.
- C. If the person who renders service to the owner of an article of personal property to which this section applies relinquishes or loses possession of the article due to circumstances described in subparagraph a of paragraph 1 or subparagraph a of paragraph 2 of subsection B of this section, the person claiming the lien shall be entitled to possession of the article until the amount due is paid, unless the article is possessed by a person who became a bona fide purchaser. Entitlement to possession shall be in accordance with the following:
- 1. The claimant may take possession of an article pursuant to this subsection only if the person obligated under the contract for services has signed an acknowledgment of receipt of a notice that the article may be subject to repossession. 2. The claimant may require the person obligated under the contract for services to pay the costs of repossession as a condition for reclaiming the article only to the extent of the reasonable fair market value of the services required to take possession of the article;
3. The claimant shall not transfer to a third party or to a person who performs repossession services, a check, money order, or credit card transaction that is received as payment for services with respect to an article and that is returned to the claimant because of insufficient funds or no funds, because the person writing the check, issuing the money order, or credit cardholder has no account or because the check, money order, or credit card account has been closed. A person violating this paragraph shall be guilty of a misdemeanor; and
4. An article that is repossessed pursuant to this subsection shall be promptly delivered to the location where the services were performed. The article shall remain at the services location at all times until the article is lawfully returned to the record owner or a lienholder or is disposed of pursuant to this section.

CHAPTER 70 OKLAHOMA VESSEL AND MOTOR REGISTRATION ACT**

63 O.S. § 70-4002 Definitions

34. "Vessel" means every device, other than a canoe, paddleboat or seaplane on the water, used or capable of being used as a means of transportation on water, including but not limited to personal watercraft; and

CHAPTER 72 BOATING SAFETY

63 O.S. § 72-4217 Abandonment of Vessel – Removal

- A. It shall be unlawful to abandon a vessel on the waters of this state or other public property. Any officer of the Department of Public Safety or any other law enforcement agency shall deem a vessel abandoned and shall have authority to remove or direct the removal of a vessel when found upon any portion of the waters of this state or other public property, if, after a period of forty-eight (48) hours, there is no evidence of an apparent owner who intends to remove the vessel. Any law enforcement officer prior to removing such vessel shall attempt to notify the owner of such vessel if the vessel has an identification number registered in this state or if the name and address of the owner is attached to such vessel.
- B. If such officer has reasonable cause to believe a vessel has been abandoned in a location which would be hazardous to the free flow of traffic or would be highly susceptible to damage from vandalism or other harm, he shall have authority to remove or direct the removal of the vessel immediately. At the time of ordering the removal of an abandoned vessel, the authorizing officer shall also determine the sale value of the vessel and certify that amount on the removal order.
- C. Any officer of the Department of Public Safety is hereby authorized to cause to be removed any vessel found upon the waters of this state or any other public property when:
1. Report has been made that such vessel has been stolen or taken without the consent of its owner;
 2. The officer has reason to believe the vessel has been abandoned as defined in this section;
 3. The person operating or in control of such vessel is arrested for an alleged offense for which the officer is required by law to take the person arrested or summoned before a proper magistrate without unnecessary delay;
 4. At the scene of an accident, when the owner or operator is not in a position to take charge of his vessel and direct or request proper removal; or
 5. When a vessel and/or motor registration is thirty (30) days past the date of expiration. Such officer may ensure the safe removal of said vessel by use of a trailer.

63 O.S. § 72-4217.1 Abandoned Vessels – Notice of Removal

Any officer who has removed or directed the removal of any vessel, or an authorized person in the employing agency of the officer, shall within seventy-two (72) hours of the removal notify the Department of Public Safety of the removal. The notice of removal shall contain the name and address of the owner, if known, the make, model, vessel identification number, registration number, date stored, place stored and the estimated value. Upon receipt of such notice of removal, the Department of Public Safety shall promptly request the Oklahoma Tax Commission or other appropriate registering jurisdiction to furnish the name and address of the owner of and any lienholder on the vessel and must within five (5) days from receipt of the requested information send a notice to the owner and any lienholder by regular mail, postage prepaid, at the addresses furnished by the Tax Commission or registering jurisdiction, of the location of the vessel. This section shall not be construed to

create any civil liability upon the state, any agency of the state or employee thereof for failure to provide notice to the owner or lienholder.

63 O.S. § 72-4217.2 Abandoned Vessels – Contest of Removal or Storage – Hearing

A. After the removal or storage of any abandoned or wrecked vessel at the request of a public agency, the registered or legal owner of the vessel, or their agent, may contest the validity of the removal or storage, by filing a written request for a hearing with the public agency. The written request may be filed before or after the vessel is retrieved from the storage operator. The public agency shall not be required to conduct a hearing if the request is received more than ten (10) days following actual or constructive notice to the owner or driver of the vessel that the vessel has been so removed or stored. A hearing shall be scheduled within seventy-two (72) hours of the request, excluding weekends and holidays. The public agency may authorize its own officer or employee to conduct the hearing, so long as the hearing officer is not the same person who directed the removal or storage of the vessel. The public agency may, with the consent of the person requesting the hearing, schedule the hearing by telephone and conduct the hearing on the merits by telephone conference call.

The hearing officer shall apply the law to the evidence and make a determination whether the vessel removal and storage was justified. If deemed unjustified, the public agency shall bear the cost of hookup and tow mileage, and the operator shall waive all storage costs in such cases as a condition of eligibility to respond to a service call request from a public agency. The vessel owner or agent shall not be charged any type of fee or costs relating to impoundment or storage in such case. If the tow and storage is deemed justified, the owner or agent shall bear the cost of reasonable tow and storage.

B. Failure of either the registered or legal owner, or their agent, to timely request or to timely appear for a scheduled hearing shall satisfy the hearing requirement of this section.

C. The hearing conducted by the public agency pursuant to this section shall not be governed by the Administrative Procedures Act¹. The owner of a stored vessel may, either in lieu of such hearing or after such hearing, file a petition in the district court of the county wherein the vessel is stored. The district court is vested with original jurisdiction to conduct a de novo hearing and determine the validity of removal and storage.

D. The provisions of this section shall not apply to the removal of vessels pursuant to [47 O.S. § 72-954A](#).

¹ [75 O.S. § 8-250](#) et seq.

The cost of removal and storage shall be paid to the wrecker or towing service. An operator shall release the vessel from storage upon authorization from the owner, agent or lienholder of the vessel or, in the case of a total loss, the insurer of the vessel where the vessel is to be moved to an insurance pool yard for sale.

63 O.S. § 72-4217.4 Abandoned Vessels – Lien-Foreclosure by Sale – Notice – Application of Proceeds

A. Every person lawfully in possession of an abandoned vessel shall have a special lien thereon for the compensation due from the owner of such abandoned vessel for all expenses incurred.

1. The name of the party bringing action and the name of the owner or any person claiming any interest therein;
 2. A full description of the vessel, giving all available information as to the make, year, serial number, registration decal number with year and the state from which the registration was issued;
 3. A full statement of all the facts;
 4. The amount of the claim, giving a full description of the work, labor, storage or any other costs involved; and
 5. The date, time and place of the sale.

The notice shall be posted in three public places in the county in which the vessel is to be sold at least ten (10) days before the time specified therein for such sale, and a copy of said notice shall be mailed to the owner and any other person claiming any interest in the abandoned motor vehicle, at their last-known mailing address, by registered mail on the same date of posting said notice.

- C. Proceedings for such sale under this section shall not be commenced until ten (10) days after the lien has accrued.
- D. A return of such sale shall be made at the time of sale and proof of posting and mailing of the notice of sale of abandoned vessel.
- E. The proceeds from the sale of an abandoned vessel made pursuant to [63 O.S. § 72-4217.4\(B\)](#) shall be applied in the following order:
1. To the reasonable cost incurred in the sale of the abandoned vessel;
 2. To the satisfaction of the special lien provided for in [63 O.S. § 72-4217.4\(A\)](#);
 3. To the satisfaction of any indebtedness secured by a subordinate security interest or lien in the vessel; and
 4. To the owner, if the owner is known and if the owner or the address of the owner is not known, to the Oklahoma Tax Commission to be remitted to the State Treasurer and deposited in the General Revenue Fund.
