The rules of the Oklahoma Administrative Code, Title 317 and Title 260, are controlling in all aspects of plan benefits. No oral statement of any person shall modify or otherwise affect the benefits, limitations or exclusions of any plan.

A fully accessible version of this guide is available at [Oklahoma.gov/egid](https://oklahoma.gov/egid). In the menu under Health, Dental and Vision, select Employee Benefit Options Guide.

## GENERAL INFORMATION

The benefits you select will take effect Jan. 1 – or for new employees, the effective date of your coverage – through Dec. 31, 2026, or the last day of the month of your termination date.

After enrollment, the plans you select may provide more information about your benefits.

Contact each plan directly if you have questions about your benefits. Refer to Contact Information at the end of this guide.

**It is your responsibility to review your benefits and know what is covered before choosing your benefits.**

Enrollment in a plan does not guarantee a provider will remain in your plan's network for the entire year. You enroll with the plan and not the provider. If your provider terminates their contract during the plan year, this does not allow you to change your plan carrier.

## COORDINATION OF BENEFITS

Coordination of benefits occurs when you are covered under two insurance plans, one primary and one secondary. Most insurance plans require you to annually verify if you or any of your covered dependents have other health or dental insurance. Failure to verify other insurance coverage may result in denial of claims until verification is done. You may complete your verification by contacting the plan directly. Refer to Contact Information at the end of this guide.

## HEALTH PLANS

**There are several health plans available:**

- BCBSOK – BlueLincs HMO
- CommunityCare HMO
- GlobalHealth HMO
- HealthChoice High and High Alternative
- HealthChoice Basic and Basic Alternative
- HealthChoice HDHP
- TRICARE Supplement Plan

**Refer to Comparison of Network Benefits for Health Plans on Pages 18-29 for benefit information.**

- Includes standard plan provisions only. For all plan benefits and limitations, contact each plan. Refer to Contact Information at the end of this guide.
- There are no preexisting condition exclusions or limitations applied to any of the health plans.
- All health plans coordinate benefits with other group insurance plans you have in force.
- If you select an HMO:
  - **You must live or work within an HMO's ZIP code service area to be eligible.** Post Office Box addresses cannot be used to determine your HMO eligibility. Refer to **Pages 13-17** for the HMO ZIP Code Lists.
  - You must use the provider network designated by that plan for Oklahoma.

## Electing a TRICARE Supplement Plan (military only)

**Note:** If you do not currently have TRICARE coverage as a current or former military member, you are not eligible for the TRICARE Supplement Plan. If you currently have TRICARE coverage and are younger than 65, you can choose to enroll in the TRICARE Supplement

Plan. Electing the TRICARE Supplement Plan means TRICARE will be your primary medical coverage and the supplement plan will be secondary. The plan covers the cost shares and copays, including prescription drugs, a portion of the TRICARE deductible and excess charges up to the legal limit. By your election, you submit to the eligibility rules of TRICARE and the TRICARE Supplement Plan. These rules may be different from the rules of eligibility created by the State of Oklahoma. Medicare may become the primary insurer upon attaining eligibility for Medicare. For more information on the TRICARE Supplement Plan, visit [oklahoma.gov/egid/health-dental-vision/health-insurance/tricare-supplement](https://oklahoma.gov/egid/health-dental-vision/health-insurance/tricare-supplement).

**Note:** Residents of WA, CO, UT, AK, NH, OR, ME and PR are not eligible to participate in the TRICARE Supplement Plan.

## DENTAL PLANS

- BCBSOK – BlueCare Dental High Plan
- BCBSOK – BlueCare Dental Low Plan
- Cigna Prepaid High (K1I09)
- Cigna Prepaid Low (OKIV9)
- Delta Dental PPO
- Delta Dental PPO – Choice
- HealthChoice Dental
- MetLife High Classic MAC
- MetLife Low Classic MAC

**Refer to Comparison of Benefits for Dental Plans on Pages 30-37 for benefit information.**

- Some plans may not be available in all areas.

## VISION PLANS

**There are several vision plans available:**

- Primary Vision Care Services
- Superior Vision
- Vision Care Direct
- VSP

**Refer to Comparison of Benefits for Vision Plans on Pages 38-42 for benefit information.**

- Verify your vision provider participates in a vision plan's network by contacting the plan, visiting the plan's website or calling your provider.
- All vision plans have limited coverage for services provided by non-network providers.

If your provider leaves your health, dental or vision plan, you cannot change plans until the next annual Option Period. However, you can change providers within your plan's network as needed.

## HEALTHCHOICE REMINDERS

### HEALTHCHOICE HEALTH PLANS

#### Tobacco-Free Attestation for HealthChoice High or Basic

If you are enrolled in the HealthChoice High or Basic plan and wish to stay enrolled in that plan, you must complete the HealthChoice Tobacco-Free Attestation for Plan Year 2026 at <https://gateway.sib.ok.gov/Attestation/> by Dec. 31, 2025. This does not apply to members who are enrolling in the HDHP plan. However, if you are currently enrolled in the HealthChoice HDHP plan and wish to enroll in the High or Basic plan for the next year, you will need to complete the HealthChoice Tobacco-Free Attestation. The online Tobacco-Free Attestation for Plan Year 2026 is open Sept. 1 through Dec. 31, 2025. HealthChoice members who are tobacco free can update their Tobacco-Free Attestation online in just a few minutes.

The attestation is waived for members who are new to a HealthChoice plan for the first year of enrollment in the High or Basic plan, but it is required each year thereafter to remain enrolled. If you are in the process of quitting tobacco, you must be tobacco free for 90 days prior to the deadline to attest to being tobacco free.

If you cannot sign the Tobacco-Free Attestation because either you or a covered dependent uses tobacco, you can still qualify for the High or Basic plan if those who use tobacco provide a letter from your doctor indicating it is not medically advisable for you or your covered dependents to quit tobacco, by **Dec. 31, 2025**.

If you do not complete the Tobacco-Free Attestation or complete the reasonable alternative, and you are not in the first-year grace period, you will automatically be moved to the corresponding alternative plans effective Jan. 1, and your annual deductible will be higher. You also have the option of enrolling in the HDHP plan, which does not require the Tobacco-Free Attestation. Refer to the Comparison of Network Benefits for Health Plans.

#### Health savings account information for HealthChoice HDHP

An HSA for HealthChoice HDHP members lets you save money for HSA-eligible expenses and take greater control of your own health care costs. With an HSA, you can have pretax HSA contributions withheld from your paycheck.

HealthChoice contracts with American Fidelity Health Services Administration to waive fees and make establishing and keeping an HSA easier and more convenient. For more information about HSAs, contact American Fidelity at the number listed in Contact Information at the end of this guide.

There is no requirement to use American Fidelity. Members may choose any HSA administrator; however, to have pretax contributions withheld from your paycheck, you must contact your insurance coordinator for more information.

If you choose American Fidelity for your HSA, you must complete the American Fidelity Health Savings Account Form and return it directly to American Fidelity. For additional information, visit [americanfidelity.com](https://www.americanfidelity.com).

**Note:** You cannot contribute to both an HSA and a Section 125 flexible spending account at the same time. Some exceptions may apply for dependent care FSAs.

### Triple tax savings advantage

When coupled with your Section 125 plan, the HSA allows you a triple tax advantage:

- Pretax contributions.
- Tax-free interest accumulation.
- Tax-free distributions for qualified medical expenses.

### HSA card

Use your HSA card to pay for eligible expenses instead of paying out of pocket.

- Direct access to funds.
- Eliminates distribution wait time.
- Accepted at doctor's offices, retailers and pharmacies.

### Online account access

Distributions can be requested online either before or after an expense has been incurred. Distributions can be received via check by mail or by direct deposit.

## HEALTHCHOICE LIFE INSURANCE PLAN

- As a new employee, you can elect life insurance coverage within 30 days of your employment or initial eligibility date. You can enroll in Guaranteed Issue, in addition to Basic Life, without a life insurance application. Guaranteed Issue is two times your annual salary rounded up to the nearest \$20,000. All requests for supplemental coverage above Guaranteed Issue require you to submit a life insurance application for approval.
- As a current employee, if you did not enroll in life coverage when first eligible, you can submit a life insurance application for approval to enroll:
  - During the annual Option Period (enroll in or increase life coverage).
  - Within 30 days of a midyear qualifying event, such as birth of a child or marriage.
- The window to complete and submit a life insurance application during Option Period is Sept. 20-Oct. 31, 2025. Contact your insurance coordinator for a life insurance application. Completed applications must be submitted directly to EGID.

As a current employee, you can also enroll in life insurance coverage within 30 days of the loss of other group life coverage. You are eligible to enroll in the amount of coverage you lost rounded up to the next \$20,000 unit without submitting a life insurance application. Proof of the loss of the other coverage is required.

## Basic Life insurance: For you

- Basic Life pays a benefit of \$20,000 to your beneficiary in the event of your death.
- Basic Life includes Accidental Death and Dismemberment benefits, which pays an additional \$20,000 to your beneficiary if your death is due to an accident. It also pays benefits if you lose your sight or a limb due to an accident.

## Supplemental Life insurance: For you

- You can enroll in Supplemental Life in units of \$20,000. The maximum amount of Supplemental Life coverage available is \$500,000, for a total of \$520,000 in life insurance coverage. You must complete and submit a life insurance application, which must be approved before coverage begins.
- The first \$20,000 of Supplemental Life provides an additional \$20,000 of AD&D benefits.

## Beneficiary designation

For Basic Life and Supplemental Life benefits, you must name your beneficiaries when you enroll. You can change your designation at any time. Life insurance benefits are paid according to the information on file. For a Beneficiary Designation Form or more information, contact your insurance coordinator. This form is also available at [HealthChoiceOK.com](https://www.healthchoiceok.com) under Frequently Used Forms.

## Dependent Life insurance: For your eligible dependents

- If you are enrolled in Basic Life, you can elect Dependent Life for your spouse and other eligible dependents during your initial enrollment, the annual Option Period, or within 30 days of the loss of other group life insurance or other midyear qualifying event without a life insurance application. There is no beneficiary designation for Dependent Life. Any Dependent Life proceeds are paid directly to the member.
- Each eligible dependent must be enrolled in Dependent Life. Regardless of the number of dependents covered, the monthly premium is a flat amount. Benefits are paid only to the member. Below are the three levels of coverage:

DEPENDENT	LOW OPTION	STANDARD OPTION	PREMIER OPTION
Spouse	\$ 6,000 of coverage	\$ 10,000 of coverage	\$ 20,000 of coverage
Per covered child up to age 26	\$ 3,000 of coverage	\$ 5,000 of coverage	\$ 10,000 of coverage

Dependent Life does not include AD&D benefits.

## **HEALTHCHOICE DISABILITY PLAN (limited city and county participation)**

The HealthChoice Disability Plan provides partial replacement income if you are unable to work due to illness or injury. Disability coverage is not available to dependents.

### **Eligibility**

Enrollment in the disability plan is effective the first day of the month following your employment date or the date you become eligible with your employer. You become eligible for disability benefits once you have been actively at work for 31 consecutive days after the effective date of coverage. During that time, you must continuously perform all material duties of your regular occupation. Any claim for disability benefits must be filed within 60 days of the date you become disabled or as soon as reasonably possible. Contact your insurance coordinator for more information.

For further details, refer to the HealthChoice Disability Handbook.

## **ENROLLMENT PERIODS**

### **Option Period enrollment: Coverage effective Jan. 1, 2026**

This is when eligible employees can:

- Enroll in coverage.
- Change plans or drop coverage.
- Increase or decrease life coverage.
- Add or drop eligible dependents from coverage.

You can enroll in health, dental, life and/or vision coverage for yourself and/or your dependents during the annual Option Period as long as you have not dropped that coverage within the past 12 months. If you have dropped coverage within the past 12 months without a midyear qualifying event, you cannot reinstate that coverage for at least 12 months.

### **Initial enrollment: Coverage effective the first of the month following your employment date or the date set by your employer**

This is when new employees are eligible to:

- Enroll in coverage.
- Enroll eligible dependents.
- Submit a life insurance application for review and approval for life insurance coverage above Guaranteed Issue.

As a new employee, you have 30 days from your employment or eligibility date to enroll in coverage. If you do not enroll within 30 days, you cannot enroll until the next annual Option Period unless you experience a qualifying event. Check with your insurance coordinator for more information.

You have 30 days following your eligibility date to make changes to your original enrollment.

## **HIPAA special enrollment rights: Coverage generally effective the first of the month following a qualifying event**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other qualified health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for (or if the employer stops contributing toward) that other coverage. However, you must request enrollment within 30 days after the other coverage for you or your dependents ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent because of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days of that qualifying event. To request special enrollment or obtain more information, contact your insurance coordinator.

## **Midyear changes: Coverage generally effective the first of the month following a qualifying event**

Midyear plan changes are allowed only when a qualifying event occurs, such as birth, marriage or loss of other group coverage. You must complete the appropriate form within 30 days of the event. Contact your insurance coordinator for more information.

# ELIGIBILITY

## Members

- Your employer must participate in the plans offered through EGID.
- You must be a current education employee eligible to participate in the Oklahoma Teachers' Retirement System working a minimum of four hours per day or 20 hours per week; a current local government or other eligible employee regularly scheduled to work at least 1,000 hours a year; or a city employee; and not classified as temporary or seasonal.
- You must be enrolled in a group health plan or other qualified health insurance to enroll in dental and/or life insurance.

## Dependents

- If one eligible dependent is covered, all eligible dependents must be covered. Exceptions apply (refer to "Excluding dependents from coverage" in this section).
- Eligible dependents include:
  - Your legal spouse (including common-law).
  - Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child or child legally placed with you for adoption up to age 26, whether married or unmarried.
  - A dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26. Subject to medical review and approval.
  - Other unmarried dependent children up to age 26, upon completion and approval of an Application for Coverage for Other Dependent Children. Guardianship papers or a tax return showing dependency can be provided in lieu of the application.
- If your spouse is enrolled separately in one of the plans offered through EGID, your dependents can be covered under either parent's health, dental and/or vision plan, but not both. However, both parents can cover dependents under Dependent Life.
- Dependents who are not enrolled within 30 days of your eligibility date cannot be enrolled until the next annual Option Period, unless a qualifying event such as birth, marriage or loss of other group coverage occurs. Dependent coverage can be dropped midyear with a qualifying event.
- Dependents can be enrolled only in the same types of coverage and in the same plans you elect for yourself.
- To enroll your newborn, the appropriate form must be provided to your insurance coordinator within 30 days of the birth. This coverage is effective the first of the birth month. If you do not enroll your newborn during this 30-day period, you cannot do so until the next annual Option Period. Direct notification to a plan will not enroll your newborn or any other dependents. The newborn's Social Security number is not required at the time of initial enrollment but must be provided once it is received from the Social Security Administration. Insurance premiums for the month the child was born must be paid.
- Without newborn enrollment:

- HealthChoice: A newborn has limited coverage without an additional premium only for the first 48 hours following a vaginal birth or the first 96 hours following a cesarean section birth. Under the HealthChoice plans, a separate deductible and coinsurance apply.
- HMOs (BCBSOK – BlueLincs, CommunityCare and GlobalHealth): A newborn is covered for 31 days without an additional premium.

## Excluding dependents from coverage

- You can exclude your spouse from health, dental and/or vision coverage while covering other dependents on these benefits. Your spouse must sign the Spouse Exclusion Certification section of your enrollment or change form. Check with your insurance coordinator for more information.
- You can exclude dependents who do not reside with you, are married, are not financially dependent on you for support, have other group coverage, or are eligible for Indian or military health benefits.

## Confirmation Statements

- You are mailed a Confirmation Statement when you enroll or make changes to your coverage. Your statement lists the coverage you are enrolled in, the effective date of your coverage and the premium amounts. The premium total does not include amounts paid by your employer.
- Always review your statement to verify your coverage is correct. Corrections to your coverage must be submitted to your insurance coordinator within 60 days of your election. Corrections reported after 60 days are effective the first of the month following notification.
- **Section B of your Option Period Enrollment/Change Form lists your most current coverage.** If you did not make changes to your benefits, and if you completed your Tobacco-Free Attestation for Plan Year 2026 as required for HealthChoice High or Basic plan members, you will not receive a Confirmation Statement from EGID. Keep a copy of your Option Period Enrollment/Change Form as verification of your coverage.

## Transfer employee

You can continue your current coverage when you move from one participating employer to another as long as there is no break in coverage that lasts longer than 30 days. Premiums must be paid upon reporting to work.

Benefit options vary from employer to employer. Changes to your coverage must be made within the first 30 days of your transfer. Contact your insurance coordinator for more information.

## Retiring and changing plans

If you are retiring on or before Jan. 1, 2026, go to [oklahoma.gov/egid](https://oklahoma.gov/egid) for the appropriate Option Period materials. Select the Option Period banner, then select Pre-Medicare or Medicare (according to your status as of Jan. 1). Your insurance coordinator can assist you and must also provide you the required Application for Retiree/Vested/Non-Vested/Defer Insurance. If you or your dependents will be Medicare eligible by Jan. 1, an additional form is

required to enroll in one of the Medicare Supplement plans or Medicare Advantage prescription drug plans. You can also call EGID for assistance. Refer to Contact Information at the end of this guide.

## Termination of coverage

- Coverage will end the last day of the month in which a termination event occurs, such as:
  - Loss of employment.
  - Reduction in hours.
  - Loss of dependent eligibility.
  - Non-payment of premiums.
  - Death.

## COBRA: Temporary continuation of coverage

The Consolidated Omnibus Budget Reconciliation Act allows you and/or your covered dependents to continue health, dental and/or vision insurance coverage after your employment terminates or after your dependent loses eligibility. Certain time limits apply to enrollment. Contact your insurance coordinator immediately upon termination of your employment, or when changes to your family status occur, to find out more about your COBRA rights. **Be aware, dropping dependent coverage during Option Period is not a COBRA qualifying event.**

## VISION PLAN NOTES

**PVCS:** The only Oklahoma-owned and -operated vision care plan with unlimited network services. Member must select either network or non-network for entire year. Network services are unlimited. Non-network services (one eye exam, one set of eyeglasses or contacts) are limited to once annually. A \$50 copay applies to soft contact lens fittings; a \$75 copay applies to rigid or gas permeable contact lens fittings or refittings; and a \$150 copay applies to hybrid contact lens fittings or refittings. Simple replacements are not assessed with these fees. Limitations/exclusions include the following: 1) Medical eye care, 2) vision therapy, 3) non-routine vision services and tests, 4) luxury frames, 5) premium prescription lenses, and 6) nonprescription eyewear. For more information and details, call 888-357-6912 or visit our website at [pvcs-usa.com/okstate](https://pvcs-usa.com/okstate).

**Superior:** Vision Plan information/detail is available at [superiorvision.com/stateofoklahoma/benefits](https://superiorvision.com/stateofoklahoma/benefits). Materials copay applies to lenses and/or frames. Discounts for lens add-ons will be given by contracted providers with DP in their listing. Exams, lenses and frames are provided once per calendar year. Progressive lenses (no-line bifocals) – you pay the difference between the retail price of the selected progressive lens and the retail price of the lined trifocal. The difference may also be subject to a discount with provider offices that accept our discount plans. Standard contact lens fitting applies to an existing contact lens user who wears disposable, daily wear or extended wear lenses only. The specialty contact lens fitting applies to new contact lens wearers and/or members who wear toric, gas permeable or multifocal lenses.

**Vision Care Direct of Oklahoma:** Oklahoma-owned and -operated by optometrists. With VCD of OK, you get your exam, frames and lenses with free enhancements (progressive lenses with premium anti-reflective and UV coatings) for as little as \$30. Our Frames/Contact Lenses Allowance is \$150, and our Medically Necessary Contact Lenses Allowance is \$750. With our plan, you can use your Contact Lenses Allowance to pay for your Fitting Fee and/or to purchase contacts. This allows you to use your allowance to pay for your fitting and potentially a portion of your contacts, whichever makes the best financial sense for you. Other plans offer discounts for materials, such as UV, Scratch, UV Coatings and Progressive lenses, but VCD of OK takes a different approach and includes these extras at NO ADDITIONAL COST! When you compare the total cost of your premiums and what you spend in the doctor's office, in most cases, we offer a plan that will save you money. Choosing an OK company means your customer service is in state to help you. It also means that you support your local community and schools when you buy a plan based in Oklahoma! VCD of OK is not an insurance company, so our focus is on delivering the very best patient care with quality materials at a very affordable price because we want you to SEE THE DIFFERENCE. Visit [okstate.vision](https://okstate.vision) for more information and to search for providers in your area. (To get the free upgrades mentioned above, look for the VCD Plus logo when searching for a provider.)

**VSP:** Exam, lenses and frame benefit provided annually. The \$25 materials copay applies to lenses or frames but not to both. Copays/prices listed are for standard lens options. Premium lens options will vary. If choosing a frame valued at more than the allowance, you save 20% on out-of-pocket costs when using a VSP doctor. You receive an extra \$50 toward frame allowance when selecting a Marchon or Altair frame brand. Contact lenses are in lieu of spectacle lenses and frame. The \$120 network allowance applies to the contact lenses. With a VSP provider, the contact lens exam (fitting and evaluation) is covered in full after a copay up to \$60. The \$105 non-network allowance applies to the contacts and contact lens exam. Contact lens exam is performed in addition to your routine eye exam to check for eye health risks associated with improper wearing or fitting of contacts. Prescription glasses – you receive an extra 20% off additional complete pairs of glasses, sunglasses or lens options at any VSP provider within last 12 months from your exam. Contact VSP or visit [stateofok.vspforme.com](https://stateofok.vspforme.com) to learn more. VSP members can now use and integrate their benefits online via [eyeconic.com](https://eyeconic.com). You can virtually try on each pair in the extensive catalog of glasses and sunglasses. You can order glasses and contacts while using your VSP benefit. In addition to your VSP vision insurance, any additional savings will automatically be applied at the time of purchase. Frames can be sent directly to your door, or your provider's office for a final fitting, adjustment, and confirmation that you are completely satisfied.
