Re: Early In-Person Absentee Voting for the July 8, 2025 Election

Dear Secretary,

As you know, early voting for the July 8, 2025 election in your county coincides with Independence Day, which is Friday, July 4, 2025. See 26 O.S. Section 14-115.4. Oklahoma law grants me the authority to move an election-related event when it falls on an official holiday. See 26 O.S. Section 1-106. Therefore, under such authority, I am moving the two-days required for early in-person absentee voting for your county for the July 8, 2025 election to a preceding day. Early in-person absentee voting will now occur from 8 a.m. to 6 p.m. on Wednesday, July 2nd and Thursday, July 3rd, 2025 immediately preceding the July 8th election.

Please ensure that you take the proper steps to notify the entities that called the election, the voters in your county, and the precinct officials who will work the election.

Sincerely,

Paul Ziriach, Secretary
State Election Board
