EXECUTIVE SUMMARY

INTRODUCTION

Pursuant to [26 O.S. § 3-130](#), State Election Board Secretary Paul Ziriak directed county election boards across the state to conduct a post-election manual tabulation audit of the Primary Election held on June 18, 2024.

The post-election audits were conducted Tuesday, July 16, 2024 through Thursday, July 18, 2024 and were open to the public. Each County Election Board posted a public notice of the date, time and location of its post-election audit at least 48 hours in advance.

Seventy-six (76) of the 77 counties participated in the post-election audits which consisted of federal, state, and county races – both Republican and Democratic primaries. Audits included the manual examination and tabulation of mail absentee ballots, in-person absentee ballots, and ballots cast on Election Day.

The Carter County Election Board did not participate in the post-election audit, but instead, conducted a full recount (i.e. all precincts, mail absentee ballots, and in-person absentee ballots) of the June 18 Republican Primary Election for county sheriff.

The post-election audits were conducted pursuant to the procedures developed in advance under the direction of the Secretary of the State Election Board.

Participating precincts were randomly selected for the post-election audits. **The post-election tabulation audits confirmed the certified election results, with the results from each audit matching the certified vote totals exactly. No differences were found.**
