OKLAHOMA PRIMARIES – PARTY AFFILIATION

Oklahoma conducts closed primary elections. To vote in a party’s primary election, you must be a registered voter of that party. However, state law allows all recognized parties to open up their primary elections to Independent voters by notifying the Secretary of the State Election Board during odd-numbered years.

There are three recognized parties in Oklahoma: Democratic, Libertarian, and Republican.

- The Democratic Party will allow Independent voters to vote in its primaries for the 2022-2023 election years.
- Both the Libertarian Party and Republican Party primaries will remain closed for the 2022-2023 election years.
- **Party affiliation changes must be made prior to March 31, 2022 for the Primary Election and Runoff Primary Election.** Changes submitted after the deadline will not be processed until after August 31, 2022. (See [26 O.S. § 4-119](https://oklahoma.gov/elections/voter-registration/political-party-info.html))
- Party affiliation information is available at [https://oklahoma.gov/elections/voter-registration/political-party-info.html](https://oklahoma.gov/elections/voter-registration/political-party-info.html).
