## 2024: State Political Party Committee Reporting

**Local Party Committees:** County, congressional district and other non-state committees will use the local party committee calendar.

All state party committees will file reports on a quarterly basis and pay the registration/renewal fee annually in July. State political party committees will file a current Statement of Organization in July of odd-numbered years. During election years, if the committee makes independent expenditures and electioneering communications, the committee may also need to file pre-election reports detailing independent expenditures and electioneering communications.
