

## Display Operators Safety Certification School

Kansas and Oklahoma Law require all Pyro Operators to undergo a permitting process.

A Pyrotechnic Safety School will be offered at:

## **RAINBOW FIREWORKS (headquarters)**

76 Plum Avenue, Inman, KS 67546 on Saturday, May 3, 2025
Sign in 8:45 AM
Class from 9:00am - 5:00pm.

## **REGISTER HERE**

## Pre-registration is requested. **THERE IS NO COST!**Lunch will be provided.

This class covers the necessary classroom education & hands-on training for both new and renewal licenses. Attendees will receive a certificate of completion which is necessary to complete the OK State Fire Marshal Application and/or KS State Fire Marshal Application for Outdoor Display Operator License.

- Also, that same day, we will have a KS State Fire Marshal on hand at 1:00pm to administer the test for those who need to renew or get their shooter's license.
  - Pre-registering with us will <u>not</u> guarantee you will be allowed to take the test. If you plan on taking the test, you <u>must</u> submit your application to the KSFM office by April 21, 2025. Please make sure you list Rainbow Fireworks on the application as the requested exam location <u>and</u> have a letter back from that office stating you are approved to take the test.

For more information, please contact Karen or Caritha at 620-663-7714 or karen@fireworks-display.com
