EXECUTIVE ORDER 2019-32**

WHEREAS, the next decennial census will be conducted on April 1, 2020;

WHEREAS, a complete and accurate count of Oklahoma's population is essential for the fair representation of the citizenry, as the census determines congressional representation and redistricting;

WHEREAS, individuals, businesses, local governments, and nonprofit organizations will rely on census data for planning and decision-making;

WHEREAS, it is well established that certain households, special populations, and hard-to-enumerate areas are at risk of being under-counted and under-represented, including young children, who are at the heart of the future success of our State;

WHEREAS, the State and federal governments will use aggregate information gained through the census, including population counts, housing and other data, to distribute billions of dollars in funding to essential programs, including education, health care and human services;

WHEREAS, the State and its local governments utilize census data to provide descriptions of the social and economic characteristics of geographic areas and population groups to determine those areas' and groups' funding needs for infrastructure projects, economic development programs, job training, schools, and other activities; and

WHEREAS, to achieve a complete and accurate census count, it is important to involve representatives of the private and public sectors, Oklahoma's local governments, State agencies, Indian Tribes, and other important stakeholders;

3. The Governor will designate the Chairperson of the Committee.

4. Members of the Committee shall serve without compensation.

5. All Cabinet Agencies, Boards and Committees shall cooperate and provide assistance as needed to the Committee in performing its functions. The Committee will receive administrative services and assistance from the Department of Commerce.
