## Child Development

Our Child Development Specialist provides a full range of child development services including:

### Developmental Screenings & Services

Developmental screenings help parents understand and support their child's development. Screenings provide information to parents in the area of communication, motor, cognitive, social-emotional and adaptive skills.

### Parent Education

Information and training for parents to support their child's development.

### Parenting Classes

Parenting training offered to individual and/or in group sessions.

### Additional Services

- Circle of Parents® Groups
- Infant Massage
- Parent-Child Enrichment
- WIC PLUS+

## Our Fees

Fees for all Child Guidance services are offered on a sliding-scale based on family size and income. Medicaid and other insurance is accepted but health insurance is not required for participation. Services will not be denied due to inability to pay.
