

WELCOME!

Welcome to the Canadian County Health Department. Our team is devoted to providing a friendly atmosphere where you feel welcomed. Our health department has high-quality programs and services that meet the needs of the entire family. We also assist with locating local and state resources such as Medicaid. We are guided by the needs of those we serve. As needs change, so do we. Thank you for allowing us to serve the Canadian county community.

Oklahoma Women, Infants & Children Program (WIC)

Nutrition education and supplemental food program for low-income pregnant, breastfeeding and postpartum women, infants and children up to age five.

No-cost benefits include:

- Private consultations with dietitians
- Online nutrition education
- Breastfeeding peer counselors
- Variety of nutritious foods

Eligibility based on income. If you are enrolled in SoonerCare or receiving Medicaid, SNAP or TANF, you are automatically eligible for WIC benefits.

Call 1-888-OKLAWIC to learn more.

The institution is an equal opportunity provider.

Family Planning

Promotes family involvement and provides education and outreach activities. All services are voluntary and confidential.

Family Planning services are offered on a sliding scale, based on income. Services will not be denied due to inability to pay.

Children First

- A voluntary home visitation program.
- Available free of charge through the health department.
- Staffed by Public Health Nurses.
- A program shown to have positive pregnancy and birth outcomes.

In the Community

Mobile Wellness Unit

Public Health on the Go!

As an extension of the local county health department, mobile wellness units, in conjunction with area providers, are utilized to connect people to health services in various settings in under-resourced areas throughout northwest central Oklahoma.
