

WELCOME!

The Delaware County Health Department works to protect and promote health, to prevent disease and injury, and to cultivate conditions by which Oklahomans can thrive.

Whether or not you have accessed services at the Delaware County Health Department facility, our staff are working each day to ensure that each person who lives, works and plays in our community is afforded the opportunity for the highest quality of public health. Through restaurant inspections, immunization administration, disease investigations or other service areas, we are committed to leading Oklahoma to prosperity through health in Delaware County.

Oklahoma Women, Infants & Children Program (WIC)

WIC is a nutrition education and supplemental food program for pregnant women, postpartum breastfeeding and nonbreastfeeding women and their infants and children who meet program eligibility requirements.

Program benefits include:

- Nutritious Foods
- Nutrition Education Classes
- Breastfeeding Support
- Consultations with Registered/Licensed Dietitians and Lactation Specialists

To learn more about the WIC program or to apply, visit oklahoma.gov/health/wic.

This institution is an equal opportunity provider.

SoonerStart

SoonerStart is Oklahoma's early intervention program designed to meet the needs of families with infants or toddlers (ages birth to 3 years old) with developmental delays and/or disabilities. The program builds upon and provides support and resources to assist family members to enhance infants or toddler's learning and development through every day learning opportunities.

Family Planning

Promotes family involvement and provides education and outreach activities. All services are voluntary and confidential.

Family Planning services are offered on a sliding scale, based on income. Services will not be denied due to inability to pay.

Immunizations

A variety of immunizations are available for infants, children and adults; most at no cost.

We provide immunizations required for school attendance and childcare centers in Oklahoma, as well as immunization training and consultation for providers.

Cost of Services

Delaware County Health Department provides health services at little to no cost. Insurance is not required to be seen, but if you have insurance, please bring your information with you. Contact us with questions about specific services.
