

WELCOME!

Welcome to the Adair County Health Department. Every day our team strives to provide compassionate, non-judgmental care and top notch customer service to our clients. Whether it is through outreach events or clinic appointments, we hope that you will see the passion your local health department has for serving the community.

Wishing you health and wellness,

Tina R Johnson, MPH, RN

Assistant Deputy
Commissioner and
Regional Director

Our Mission, Vision & Values

Mission: To protect and promote health, to prevent disease and injury, and to cultivate conditions by which Oklahomans can thrive.

Vision: Leading Oklahoma to prosperity through health

Values: Organizational values of respect, collaboration and service are included in all aspects of our work.

Cost of Services

Some services are provided at no cost, while others are offered on a sliding fee scale based on family size and income. No one will be denied services due to inability to pay.

Oklahoma Women, Infants & Children Program (WIC)

WIC is a nutrition education and supplemental food program for pregnant women, postpartum breastfeeding and nonbreastfeeding women and their infants and children who meet program eligibility requirements.

Program benefits include:

- Nutritious Foods
- Nutrition Education Classes
- Breastfeeding Support
- Consultations with Registered/Licensed Dietitians and Lactation Specialist

To learn more about the WIC program or to apply, visit oklahoma.gov/health/wic.

This institution is an equal opportunity provider.

Family Planning

The Family Planning program provides the means and opportunity for clients to determine the number and spacing of their children, and to make informed decisions regarding being healthy.

Family Planning services include:

- Annual exams
- Family planning education
- Health education
- Fertility counseling
- Birth control (including long-acting reversible contraceptives)
- STI/STD checks
- Pregnancy testing

STI/STD Services

Confidential testing, evaluation, health education, treatment, and referrals are offered for a variety of sexually transmitted infections and diseases. .
