Welcome/Introductions: Tia Yancey

- Welcomed the OCCN members and called the meeting to order.
- OCCN members introductions/icebreaker
- Update on Tableau:
 - Raffaella Espinoza said CO worksheets will not allow a “plug and play”. Therefore the work- sheets will be developed from the ground up.
- Introduced new Comprehensive Cancer Control Coordinator;

Andrea L Rooks:

- Professional Background
- Sign In Sheet/Partnership List
- Single Calendar Invite/Future Invites
- Introduced the OCCN Membership Survey;

Joyce Samuel:

- Should be avail in the next few weeks for OCCN members
- Needed feedback on meeting formats, frequency, time/dates, locations, what the meetings should be, projects, outcomes to show before the next annual survey, interests in work groups, leads for workgroups,
- Develop mission/vision statement
- No group suggestions re survey input at this time

Review of Cancer State Plan: Tia Yancey

- Review of the Colorectal Cancer Input (handout)
 - 80% increase of target to match the “80% in every community”
 - Update the reference to reflect the 80% screened

- Aundria Goree suggested a sentence in the narrative on the impact re younger screening (as a reference- see ACS info).
- Question was presented as what defines “Community”...no real answer at this time but accessing the colorectal website (pledge) was suggested and also as an addition to the Initiatives and Strategies in State Plan.
- Review Risk Reductions in State Plan for possible additions: obesity, 13 cancer types, limiting alcohol consumption
- Update OHCA connect 4...still waiting on input c/o Carolyn
- Cervical Cancer: no change as of previous meeting
- Lung Cancer: may not have discussed at previous meeting but a meeting took place in December so there will assuredly be updates
- Obesity/Nutrition, Survivorship, Lung Cancer, Policies will definitely need to be revisited
- Notified group of the genomics grant OSDH has applied for...no notification as of date
- Cancer Survivorship OSDH grant awarded...brief mention, no update
