

Oklahoma Comprehensive Cancer Control Network
at Cleveland County Health Department
January 9, 2019

Attendees: Amanda Cribbs, Ashley Watts, Cameren Collins, Chantel Hartman, Christen Hartman, David Dude, Greta Steward, Jennifer Laizure, Dr. Joseph Johnson, Kasey Volpe, Kashlie Olson, Lindsey Diel, Margie Burkhart, Dr. Mark Doescher, Samang Surintha, Stephanie Pharr, Stephanie U'Ren, Tia Yancey, Dr. William Dooley, and Yanet Trejo

Welcome and Introductions:

- Ms. Tia Yancey:
 - Welcomed the attendees and invited members to introduce themselves.
 - Encouraged members to review meeting minutes from November 6, 2018 and provided feedback for any corrections.
 - Reminded attendees to join a workgroup; respond to the Partnership List Survey/Evaluation Survey; and remain focused on Oklahoma State Cancer Plan.
 - Announced that a new executive team is being formed.
- Mr. David Dude, Former Co-Chair, has stepped down but will be of assistance as needed.
- Ms. Jennifer Roysdon, Current Co-Chair, was unavailable this meeting but will attend the next meeting.
- Ms. Sara Low has stepped down from the HPV workgroup; Ms. Stephanie Pharr is now the lead of the workgroup.
- The Oklahoma Comprehensive Cancer Control Program is in the process of hiring a new Comprehensive Cancer Coordinator and is expected to fill the vacant position in this coming spring 2019.
- Ms. Stephanie Pharr promoted the "World Cancer Day" Flyers: Monday, February 4, 2019 from 5:30 – 7:30 P.M.; Flyers were free to be picked up and handed out.
- The November meeting minutes will be posted on www.ok.gov/health/index.html once they are finalized.

Genomics:

- Ms. Tia Yancey introduced and summarized the biography of Dr. William Dooley, one of the Medical Advisors of the Take Charge! Program.
- Dr. William Dooley gave a presentation regarding Genomics. For more information, please contact Dr. William Dooley.
- Dr. William Dooley responded to questions from members.

Workgroups:

- Members moved into workgroups at 10:35am.
