

OCCN Executive Team Meeting

January 14, 2021

Zoom Meeting

Attendance

Alexis Burris, Cristen Hartman, Dana Northrup, Stephanie Pharr, Wendy Ayers

Welcome & Introductions

Dana Northrup:

- Welcomed all and opened the meeting in the absence of both Andrea Rooks (due to OSDH Covid response duties) and Dr. Mark Doescher(due to job requirements/rounds conflict)
- Lindsey Diel resigned from the OCCN Executive Team and as the Colorectal Cancer Workgroup Lead (due to shift in work responsibilities-may continue to attend OCCN Meetings-TBD)
- Andrea Rooks to contact OK CRC Coalition to recruit Colorectal Workgroup vacancies

Note: Stephanie Pharr mentioned the possibility of someone from the Stevenson Cancer Center may be interested in filling the vacancy.

- New OCCN members attending the February OCCN Meeting- Saundra McClelland (Soulful Survivors), DeLynn Fudge (TSET), and Debbie Ward/Pfizer Oncology

Leadership

December OCCN Meeting Feedback:

- N/A due to absence of Dr. Doescher (meeting notes provided by Andrea Rooks pre-meeting)

Strategic Planning

2021 Executive Team Goals:

Dana Northrup:

- Need to identify and address thoughts on additional team goals for 2021
- Number one priority will be reviewing Cancer Plans from other States

Notes: Per Andrea Rooks

- The position of Co-Chair will need to be replaced ASAP
- The new State Cancer Plan will need to be submitted in 2022-the new plan will be for 2023 through 2027 (this year should be reserved for strategic planning)

November OCCN Meeting Workgroup Breakout Outcomes:

Alexis Burris/Lung Cancer and Tobacco Cessation Work Group Co-Lead:

2021 Focus: Increase lung cancer screening rates and reduce stigma

- Strengths: Utilization of the Lung Cancer Safe How To Scan, relationship with TSET and OHCA
- Weakness: Increasing Lung Cancer screening rates

2021 Objectives:

- Webinars (educate the community on the importance of lung cancer screenings/reduce stigma)
- Create a list of Oklahoma lung cancer facilities

- Utilize the November 2020 American Lung Cancer Report
- Address threat of COVID exposure for lung cancer screenings
- Update OHCA coverage for lung cancer screenings and its outcome (next meeting)

Stephanie Pharr/Cervical Cancer & HPV Vaccination Work Group Lead:

2021 Focus: Educating providers and public re need for HPV vaccination

Focus areas:

- Continue HPV Back on Track series in 2021-Cristen Hartman will continue provider visits
- Expand on HPV vaccination projects such as the supplement with the Choctaw and Cherokee Nation Indian Health Services Parent Survey
- Continue with the 2nd Oklahoma HPV Summit-educating providers-working with the American Cancer Society to implement an HPV Roundtable statewide
- New Stevenson Cancer Center advisory board to focus on cervical cancer and HPV topics i.e., barrier's, COVID related issues, etc.-first meeting is next week (more information to follow)

2021 Objectives:

- Educator buy-in re need to increase HVP vaccinations and ways to accomplish this objective
- Reach out to community partners i.e., Oklahoma Primary Care Association to help coordinate information across Federally Qualified Health Centers (to increase vaccination rates)
- SWOT Analysis (focus on increasing HVP vaccination rates for males and females)

Cristen Hartman/HPV Workgroup Co-Lead:

- Educating providers on HVP vaccinations and how to enable communication between patients and guardians-lack of information, and not recommending vaccination during physicals
- Issue of mandatory vaccinations vs recommended vaccination and how that effects the outcome-emphasize on providers to recommend vaccination to patients and guardians
- Another project that promotes HPV collaboration (along with OSDH and Immunizations) is the OU Health Sciences Center and Primary Health Care Improvement Cooperative Program "Vaccinating Youth to Prevent Cancer in Oklahoma"

Note: Due to absence of Breast Cancer & Colorectal Workgroup Leads, there were no further updates

OCCN Tableau:

- Tableau to be reviewed at February OCCN meeting (if COVID response duties do not interfere)

Closing Remarks

- Please email Andrea Rooks re agenda items, and nominations for leadership vacancies
- George Washington University did not release a 2021 Cervical Cancer Social Media Toolkit
