Report Out

November OCCN Meeting

Andrea Rooks:

Discussion

- Since the OCCN had not met since November 2020, will be reporting out on both the November OCCN meeting and the December OCCN Executive Team meeting

Topics/Activities

- Asked Lindsey Diel to contact Oklahoma Colorectal Cancer Coalition (OKCRCC) members regarding joining the OCCN as workgroup leadership and/or active members-will need to readdress during Colorectal Cancer Workgroup breakout
- Tableau is still in progress-finishing the landing pages and data-delay due to COVID-19 response duties-possible roll-out for April
- Executive Team will be reviewing other State's Cancer Plans-beginning with Pennsylvania-will reach out later in the year for volunteers to join executive team/special committee to assist with the development of the 2023-2027 plan
- Lung/Tobacco Workgroup Outcomes: SWOT Analysis, Objectives, Medicaid Expansion
- Cervical/HPV Workgroup Outcomes: SWOT Analysis, Objectives, Vaccination Projects, OUSCC Advisory Boards, COVID-19 Effects

December Executive Team Meeting

Dr. Doescher:

Discussion

- Welcomed new members-excitement towards capacity of OCCN
- OUSCC receiving support towards prostate cancer (including increased work with African American communities)

Topics/Activities

- Breast Cancer Workgroup:
 - Minority Women's Health Forum
 - Contact has been initiated with the Southern Plains Tribal Health Board
 - Working with Cherokee Nation on COVID-19-will reach out to Dr. Montgomery (will be on the same conference call next Friday)
 - Successful meetings/interaction with Dr. Teresa Shavney (OUSCC Breast Group)
 - George Washington University Cancer Center (GW) offers several modules for survivorship care and patient navigation-finding modules very helpful for nurse navigation training within the OUSCC/Choctaw Nation Survivorship Care Coordination Project
- Lung Cancer/Tobacco Cessation Workgroup:
 - Lead remains vacant
 - Focusing on increasing lung cancer screening in Oklahoma
 - Stephanie Pharr aware of Dr. Doescher's plans for mobile units for rural areas
 - State Behavioral Risk Factor Surveillance System (BRFSS) beginning to track lung cancer screenings-suggested that the workgroup research other states Medicaid coverages
- National Lung Cancer and Colorectal Cancer Roundtables are being held virtually

Andrea Rooks:

- Emailed Roger Montgomery on behalf of Dr. Dooley (no acknowledgement/reply)
- Along with Katie's departure, the OCCN Colorectal Cancer Workgroup Lead Lindsey Diel, ACS had to retract both Workgroup Lead and OCCN active member status

Stephanie Pharr:

- She, Heather Carter, Dr. Kathleen Morris, are members of the OKCRC Coalition (hosted by Lindsey Diel, ACS) and will be able to continue to bridge the gap and provide updates from the group until the positions are filled

Presentation

Andrea Rooks:

- Overview of current OCCN Structure, Leadership, Workgroups, Priority Cancers, Risk Reduction, and Cross Cutting Techniques
- Although OCCN currently focuses on four priority however cancers rates are always on the radar-once data depicts an increase which equals and/or surpasses one of the priorities then the OCCN can readdress-the OCCN is responsible for writing the State Cancer Plan and will begin efforts next year
- Overview/Review Tools (Action Plan Template, Recruitment Tool, SWOT Analysis, and OCCN Smartsheets)

Leadership

Andrea Rooks:

- OSDH Center for Chronic Disease Prevention & Health Promotion Administration (Center) has agreed to serve as acting Workgroup Leads/Co-Leads until vacancies can be filled by non-OSDH/Center staff
- Heather Carter was welcomed as the new Co-Lead of the Breast Cancer Workgroup
- Chantel Hartman was welcomed as the acting Lung Cancer/Tobacco Cessation Workgroup Lead
- The Colorectal Cancer Workgroup will need to continue to re-examine the previous agreement to let the OKCRCC serve as the workgroup-the Colorectal workgroup still has members that meet regularly during OCCN meetings
- Re-addressed workgroup breakout session time frame-shortened to 20 minutes

Resources/Activities

Andrea Rooks: Survivorship

- GW February World Cancer Day Social Media Toolkits are available (link provided in the ZOOM chat-box feature and agenda)
- Will email GW newsletter regarding trainings, COVID-19 incidence, etc. for providers
- Contact Stephanie Pharr regarding HPV Summit information

Strategic Planning

Workgroups/Breakouts

- Completion of the SWOT Analysis if applicable
- Discuss progress of the State Cancer Plan/Workgroup objectives
- Assign tasks and update Smartsheet accordingly

Closing

Andrea Rooks:

- Please email leadership acceptance and/or recommendations (interim or permanent)
- Please email or notify your Workgroup Leaders to email for access to Smartsheet

Note: All members are encouraged to reach out to those who have not been active and/or invite someone who may share the OCCN vision

Next Steps

- April is both Minority Cancer & National Cancer Control Month
- Tableau Roll-Out

Note: The OCCN meetings are being held virtually via Zoom due to COVID-19 pandemic safety measures. Due to OSDH regulations regarding virtual technology programs, the meeting is being hosted by Stephanie Pharr, OU Stephenson Cancer Center

The OCCN meetings will continue to meet virtually until further notice
