

# GET CERTIFIED & become a responsible tobacco retail partner!

(or visit [validateok.com](https://validateok.com))

This certification course will help retailers and their employees become familiar with tobacco laws and prevent sales to underage buyers. Upon completion of this course, you will be fully trained to be compliant with both state and federal law.

The course consists of four short videos and a quiz and takes about 20 minutes to complete. Before beginning the course, please ensure you have enough time to finish it in one sitting.

**OKLAHOMA**  
State Department  
of Health

Visit [ValidateOK.com](https://ValidateOK.com) for more information and training.

ValidateOK is a campaign from the Oklahoma State Department of Health Tobacco Control Program to prevent underage tobacco sales and use.
