

Questions:

- **Can our evaluators see the last time we submitted a Worksite Scorecard?**
 - We can see who submitted the [Oklahoma Work@Health Scorecard](#). If you previously used the CDC link, we cannot access that.
- **If we have existing services already where we charge for a DEXA scan can we use any of the funds to purchase some of these as an incentive for participation in a wellness challenge?**
 - Clinical care is a prohibited cost with this funding
- **Where is the website it will be posted?**
 - <https://oklahoma.gov/health/health-education/community-outreach/community-development-services/office-of-state-programs/health-promotion/work-at-health.html>
- **Can applicants set up calls prior to application opening to see if ideas would be eligible?**
 - Yes, they can prior to application opening.
- **Are we allowed to use for contracts for class instructors to come in and teach classes? I.e. the YMCA come in and offer classes**
 - Allowed if the application and budget include the contract and amount
- **You can't use the funds for a one time event?**
 - It can be if like a health fair or health screening that is offered once a year, but happens on a yearly basis.
- **Is this federal or state funds?**
 - Federal funds
