

National Health Service Corps Providers (NHSC) & Dental Health Professional Shortage Areas (HPSAs)

Legend

- Low Income Population HPSA
- High Needs Geographical HPSA
- Not a Health Professional Shortage Area

Notes:
 NHSC Dental Health providers include dentists and dental hygienists providing care in Health Professional Shortage Areas (HPSAs).

The map displays each site where an active NHSC provider serves. The total count of providers includes all unduplicated providers. Providers serving part-time at multiple sites are counted only once.
