~~(c) An annual securing fee of \$50.00 will be applied to each public bathing place that is placed out of service and is not maintaining annual licensure. This pertains to a secured public bathing place permanently out of service where the current owner has no intention to reopen and does not fill in the public bathing place. It also applies to a public bathing place closed for longer than a year with the intent of re-opening. A securing fee will be due at the same time as the original license expiration and each year thereafter while the facility remains permanently out of service. When a public bathing place resumes operation, the local county health department shall be notified by the owner and any remaining license fee will be required for that year of operation.~~
