INSTRUCTIONS FOR COMPLETING THE CERTIFICATE OF EXEMPTION

Oklahoma law requires that parents of all children attending School, Child Care Facilities, and Head Start in this state submit documentation of immunization. This documentation is required before the child is allowed to enter or attend School, Child Care or Head Start. Children with specific medical contraindications to any or all immunizations may be allowed to attend if the medical reason is stated and this statement is signed by a licensed physician and submitted to the School, Child Care Facility or Head Start. Children whose parents have objections to immunizations based on religious teachings or personal beliefs may seek an exemption.

Copies of immunization records and any Certificate of Exemption must be on file with the School, Child Care Facility or Head Start, and available for review.

FORM REQUIRED: Children enrolled in School, Child Care or Head Start.

FORM NOT REQUIRED: Children *not* enrolled in School, Child Care or Head Start.

- **This form must be fully completed and signed.**
- **This form must be submitted to Immunization Service.**
- **The School, Child Care Facility or Head Start will keep a copy of the completed form.**
- **Parent understands that lost records are not grounds for an exemption.**

LOST IMMUNIZATION RECORDS

Lost immunizations records are not grounds for an exemption to the immunization requirements. Parents who have lost their child's records should contact their local health department or family physician. The nurse or doctor can interpret past immunization history, provide any needed immunizations, and create a record for the parent that can then be submitted to the School, Child Care Facility or Head Start and transcribed for the student's record.

EXCLUSION DURING A DISEASE OUTBREAK

A disease outbreak in a School, Child Care Facility or Head Start may result in exposure of children attending on the basis of an exemption. These children may be susceptible to the diseases, and therefore may be excluded for the duration of any outbreak for their own health and for the health of other children. Parents should be informed of this possibility before signing a Certificate of Exemption.

*A completed copy of the Certificate of Exemption may be submitted to the
Oklahoma State Department of Health Immunization Service either directly or through the local school.*
