Title 63. Public Health and Safety

Chapter 1 - Oklahoma Public Health Code

Oklahoma Medical Micropigmentation Regulation Act

Article Article 14 - Drugs, Devices, and Cosmetics

Section 1-1455 - Adoption of Curriculum of Required Courses

Cite as: O.S. §, ___ __

A. The State Board of Health, giving consideration to the recommendations of the Consumer Protection Licensing Advisory Council created in Section 44 of this act, and in cooperation with the Oklahoma Department of Career and Technology Education, may adopt a curriculum of required courses and establish by rule the types of courses to be offered. The complete program of instruction approved by the State Board of Health in theory and clinical training shall consist of at least three hundred (300) hours or the equivalent of competency-based instruction.

B. 1. In order to provide the State Department of Health confirmation of each applicant's competency, written theory and clinical tests shall be administered by the Oklahoma Department of Career and Technology Education.

2. Applicants otherwise qualified to practice medical micropigmentation as determined by the State Department of Health pursuant to the Oklahoma Medical Micropigmentation Regulation Act may be certified to perform medical micropigmentation without taking or completing the program of instruction specified by this section if the applicant obtains a passing score for both the written theory and clinical tests. Not later than January 1, 2002, the State Board of Health shall promulgate rules to implement the provisions of this paragraph.

3. The State Board of Health, giving consideration to the recommendations of the Consumer Protection Licensing Advisory Council created in Section 44 of this act, shall set, by rule, a minimum passing score for both written theory and clinical tests.

C. The Oklahoma Department of Career and Technology Education may provide training and shall provide testing programs required by this section for anyone qualified to apply for a certificate pursuant to the provisions of Section 1-1454 of this title. The training and testing programs shall meet the standards established pursuant to the provisions of this section. The State Department of Health may approve training programs that meet the standards established pursuant to the provisions of this act.

D. After the initial training program offered pursuant to subsection C of this section, the Oklahoma Department of Career and Technology Education may provide a complete curriculum for the training and testing of applicants for certification as deemed needed by the Oklahoma Department of Career and Technology Education.

E. The State Department of Health may approve applicants for certification by reciprocity. An applicant shall qualify for certification by reciprocity if the applicant:

1. Has qualifications and training comparable to those required under the Oklahoma Medical Micropigmentation Regulation Act;
2. Provides documentation verifying two (2) years of experience and a minimum of two hundred (200) procedures; and
3. Has successfully completed the Oklahoma certification examination.

Chapter 1 - Oklahoma Public Health Code

Oklahoma Medical Micropigmentation Regulation Act

Article Article 14 - Drugs, Devices, and Cosmetics

Section 1-1458 - Complaints - Notice - Investigations - Penalties

Cite as: O.S. §, ___ __

A. Upon receipt of a complaint by a licensing board relating to a violation of the Oklahoma Medical Micropigmentation Regulation Act or any rules promulgated thereto, the licensing board shall cause an investigation to be made. If during the investigation, the licensing board determines that the alleged violation of the Oklahoma Medical Micropigmentation Regulation Act or any rules promulgated thereto may have been committed by any person other than a physician or any other person subject to the licensing board's regulatory authority, the licensing board shall immediately notify the Oklahoma State Department of Health.

B. 1. Upon receipt of a complaint by the Department or upon receipt of notice pursuant to subsection A of this section relating to an alleged violation of the Oklahoma Medical Micropigmentation Regulation Act or rules promulgated thereto which involve the practice of micropigmentation in the office of a physician, the Department shall:

- a. notify the appropriate licensing board of the complaint and request a joint inspection, or
- b. refer the complaint to the appropriate licensing board for investigation.

2. The licensing boards shall give priority to investigations of complaints for which the Department has requested a joint inspection.

C. 1. If a person other than a physician, after proper notice and hearing as provided in the Administrative Procedures Act, is found to have violated one or more provisions of the Oklahoma Medical Micropigmentation Regulation Act, the State Department of Health may impose one or more of the following penalties:

- a. suspend or revoke a certificate,
- b. seek injunctive relief,
- c. reprimand the certificate holder,
- d. place a certificate holder on probation for a specified period of time,
- e. deny renewal of a certificate,
- f. require a special quality review of the certificate holder, subject to such procedures as the Department by rule deems appropriate,
- g. require the person or entity to pay all costs incurred as a result of hearings conducted regarding actions of the subject of the hearing including, but not limited to, investigation costs, hearing officer costs, renting of special facilities costs, and court reporter costs, or
- h. in addition to any criminal penalty imposed pursuant to the Oklahoma Medical Micropigmentation Regulation Act, assess an administrative penalty not to exceed Ten Thousand Dollars (\$10,000.00).

2. Any physician alleged to have violated the Oklahoma Medical Micropigmentation Regulation Act or rules promulgated by the licensing board thereto shall be subject to penalties established pursuant to law by the licensing board which has authority to regulate the physician.

B. In addition to the penalties provided for in subsection A of this section, the Department may request the district attorney to bring an action in the district court for the prosecution of any person for a violation of any provision of the Oklahoma Medical Micropigmentation Regulation Act, or order issued or rules promulgated pursuant thereto.

C. Upon application in writing and upon good cause, the Department may reinstate a certificate which has been revoked or suspended or may modify the certificate when reinstated. A person whose certificate has been revoked or suspended may not reapply for reinstatement during the time period set by the Department which shall not exceed five (5) years.

D. 1. Administrative penalties assessed by the Department under the provisions of the Oklahoma Medical Micropigmentation Regulation Act shall be imposed and enforced pursuant to the Administrative Procedures Act and may be enforced in district court as authorized by the Administrative Procedures Act.

2. All monies, excluding costs, collected from administrative penalties authorized in this section, shall be deposited pursuant to Section 1-1701.1B of Title 63 of the Oklahoma Statutes.

E. Any person convicted of violating the provisions of the Oklahoma Medical Micropigmentation Regulation Act or orders issued or rules promulgated pursuant thereto shall be guilty of a misdemeanor punishable by imprisonment in the county jail not to exceed ninety (90) days, a fine of not more than One Thousand Dollars (\$1,000.00), or by both such fine and imprisonment. Each day upon which such violation occurs shall constitute a separate violation.

F. The provisions of this section shall apply to:

1. Any person certified to perform medical micropigmentation pursuant to the Oklahoma Medical Micropigmentation Regulation Act and who is alleged to be in violation of the Oklahoma Medical Micropigmentation Regulation Act or rule or order issued pursuant thereto; and

2. Any person who does not hold a certificate or is not authorized to practice medical micropigmentation pursuant to the Oklahoma Medical Micropigmentation Regulation Act and is practicing or holding himself or herself as authorized to practice medical micropigmentation.

Oklahoma Medical Micropigmentation Regulation Act

Article Article 14 - Drugs, Devices, and Cosmetics

Section 1-1450 - Legislative Findings - Short Title

Cite as: O.S. §, ___ __

A. The Legislature hereby finds that:

1. There is, in addition to cosmetic reasons, a growing need for medical micropigmentation in the treatment of clinical conditions or traumas such as cancer, surgery, and burns;
2. Medical micropigmentation is being performed in Oklahoma; and
3. Oklahoma law does not provide sufficient regulation of medical micropigmentation to assure the protection of the public.

Therefore, there is a need to provide legislation to enable the appropriate entities to regulate persons performing medical micropigmentation on the citizens of this state.

B. Sections 1 through 9 of this act shall be known and may be cited as the "Oklahoma Medical Micropigmentation Regulation Act".
