REGULAR MEETING  
Tuesday, February 25 – 11:00 a.m.

5. Discussion, consideration, possible action, and vote to.....Sean Lauderdale, Chair
  - RTAB attendance was discussed. Mr. Henke shared that Dr. Cody turned in a new ARF for TeamHealth. Yaz will reach out to Purcell Municipal Hospital. Mr. McLemore shared the bylaws has verbiage to remove Board Members if they don't attend. He will also contact Prague Hospital. Jason Likens will reach out to Wadley's EMS. Mr. Henke will check into Cornerstone.
  - Solicit presentations for Region 6 RTAB  
Mr. Lauderdale asked to solicit presentations from the region. Mr. Likens suggested whole blood and shared David Howerton is willing to do a whole blood presentation but asked to present it later in the year because they are gathering data. Mr. Likens shared for those doing a presentation in Region 6 is only required to present in Region 6. In the past whoever did a presentation was asked to present it statewide. Mr. Henke suggested concussion and sports injuries. Mr. Lauderdale brought up a presentation for SALT and the Envenomation plan to get that pushed out to Region 6. Mr. McLemore mentioned that Region 7 is trying to line up with Injury Prevention for presentations.
6. New Business (For matters not reasonably foreseen 48 hours prior to the meeting)  
Mr. Likens shared that in Oklahoma Trauma Emergency Response Advisory Council it was brought up to cut back RTAB meetings to twice a year. Mr. Lauderdale suggested by cutting back on meetings would prevent the RTAB from getting items accomplished. He shared that the REPC has really improved in attendance and has met 4 meeting in a row verse missing an entire year. Robin Robinson shared that if they slow down Region 6 will have to do the work on their own. Mr. Lauderdale shared, I think we could, you know as a region still commit to quarterly meetings and continue doing what we're doing, realizing that we may not get support from the Department of Health, and we may be pushing out our own and I don't know what. The REPC agreed to share with the RTAB their recommendation is to continue with 4 quarterly meetings per year. Mr. Henke shared that in the bylaws the RTAB Secretary should be keeping the minutes, attendance, and so forth.
