HTML Version

Notice: Resolved: SNF Review and Correct Report Issue

The issue causing the SNF Review and Correct report to display incorrect data, as explained in QTSO Memo #2017-068 dated June 6, 2017, has been corrected. All quality measure data on the SNF Review and Correct report for Quarter 1, 2017 have been recalculated for all SNF providers.

The SNF Review and Correct report is available in the SNF Quality Reporting Program report category in the CASPER Reporting application. Providers are encouraged to request the enhanced SNF Review and Correct report to view updated measure results. The enhanced report should replace versions of the report requested prior to the issue notification.
