CMS Has Revised the SNF QRP Assessment Submission Deadline

CMS published notices that data submission deadlines for all four quarters of CY 2017 has been moved to May 15, 2018.

This means you will now be able to go back to previous quarters and modify or submit MDS assessments if you did not get them submitted before the previous deadlines.

The revised deadlines also impacts the SNF QRP FY 2019 Annual Payment Determination (APU) and will include all four quarters, as well.
