

MDS 3.0 RAI Manual Updates Training

Quality Improvement and Evaluation Service | 405.271.5278

Quality Improvement and
Evaluation Service (QIES)

Oklahoma State
Department of Health

Training October 4, 2017

You are invited to attend this **FREE** training and receive valuable instruction on the new revisions, as well as key coding tips to help ensure accuracy of the assessment.

This training will benefit anyone who is involved in completing the MDS assessment, or is responsible for understanding how recent changes impact your quality measures and reporting requirements.

New RAI Manual released.

CMS recently released the new RAI Manual v1.15, which is effective October 1, 2017. You can view, print, and download the new manual at qtso.com.
