Custer County Health Department Observes Administrative Professionals Week

The Custer County Health Department is recognizing the work of its three administrative professionals during *Administrative Professionals Week*, April 22-28.

Administrative Professionals Week is observed worldwide with more than 20 million administrative and office support professionals working in the United States. The Oklahoma State Department of Health (OSDH) employs 360 administrative professionals statewide.

“We are grateful for the excellent work our professionals do each day to ensure our clients receive the services they are seeking from the Custer County Health Department,” said Brandie Combs, regional director.

At the Custer County Health Department, the following staff are recognized for their administrative and office support:

Vicki Fleming (AA)

Alecia Malson

M. Carolina (Carol) Coutino
