**PREVENT FALLS**

### **STRATEGY IMPLEMENTED / OUTCOMES TO DATE:**

OU Medical Center Edmond recently introduced its Senior Friendly ER initiative. Among the many procedures implemented in this initiative is to assess the fall risk of adults 65+ presenting in the ER due to a fall at home so that we can provide education. Senior Friendly ER has been met with great accolades from the community. We are tracking the outcomes on falls with readmit rates. No data just yet.
